With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● Win More Contracts at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children’s Services (ACS)
 Department for the Aging (DFTA)
 Department of Consumer Affairs (DCA)
 Department of Corrections (DOC)
 Department of Health and Mental Hygiene (DOHMH)

 Department of Probation (DOP)
 Department of Small Business Services (SBS)
 Department of Youth and Community Development (DYCD)
 Housing and Preservation Department (HPD)
 Human Resources Administration (HRA)

HUMAN RESOURCES ADMINISTRATION

NOTICE

In Advance of release of the RFP, DSS/HRA is issuing a concept paper which outlines the Action NYC program.

ActionNYC is New York City’s citywide, community-based immigration legal services program that provides access to immigration legal services and resources and builds capacity in the immigration legal services field. Through ActionNYC, immigrant New Yorkers receive free, safe, and high-quality immigration legal services in their community and in their language (either in-person or through telephonic interpretation). ActionNYC serves as the entry point for New Yorkers seeking City-supported immigration legal services. The program has introduced innovative approaches to build the City’s ability to deliver immigration legal services through its citywide hotline, centralized appointment-

making system, and accessible service locations, at nonprofit community-based organizations (CBO), New York City public schools, hospitals and libraries.

DSS/HRA and MOIA will jointly operate the program, for which they will issue an RFP seeking qualified nonprofit CBOs and nonprofit legal service providers to implement ActionNYC citywide. Action NYC has previously been administered by DSS/HRA, MOIA, and the City University of New York (CUNY). With this procurement, DSS/HRA and MOIA will be the entities administering this program.
