With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- *Win More Contracts at nyc.gov/competetowin*

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

REQUEST FOR INFORMATION - SUPPLYING NEW YORK CITY WITH RENEWABLE POWER - Request for Information - PIN# 85616RFI001 - Due 9-10-15 at 5:00 P.M.

New York City has pledged to reduce overall greenhouse gas emissions 80 percent by 2050 (80x50), and emissions from city government operations 35 percent by 2025 (35x25).

City government currently spends between \$600 million and \$650 million per year on its electricity, and could potentially use its purchasing power to catalyze the development of new sources of renewable power, reduce greenhouse gas emissions, and chart a path to receive 100 percent of electricity from renewable sources of energy.

To understand the available options, the City is issuing a Request for Information ("RFI") seeking responses from all entities involved in and supporting the renewable energy sector. This RFI is designed to identify new generation capacity rather than existing sources of renewable energy.

The RFI document may be downloaded online at www.nyc.gov/cityrecord.

The City will conduct an informational session via the Internet to address its renewable energy goals and how it expects to meet those goals at 11:00 A.M. E.S.T. on July 30, 2015. Further information on the informational session will be provided to the prospective respondents and the public in the City Record newspaper and via the City Record Online at www.nyc.gov/cityrecord.

All responses shall be submitted electronically to the RFI Contact identified below by 5:00 P.M. E.S.T. on September 10, 2015. In addition, two original paper copies shall be submitted to the RFI Contact no later than September 15, 2015.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

AGENCY RULES**ENVIRONMENTAL CONTROL BOARD****NOTICE****Notice of Promulgation of Rule**

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Environmental Control Board (ECB) in accordance

with Sections 1043(b) and 1049-a of the New York City Charter. ECB has amended its rules of procedure to allow for service of hearing officer decisions and orders by hand delivery or by mail. The changes will also allow for regular mailing of Cease and Desist Orders and Notices of Special Hearing. The rule was published in The City Record on May 15, 2015, and a public hearing was held on June 15, 2015.

Statement of Basis and Purpose of Final Rule

The Environmental Control Board (ECB) held a public hearing on June 15, 2015, regarding amendments to its rules of procedure to allow for service of hearing officer decisions and orders by hand delivery or by mail. The changes will also allow for regular mailing of Cease and Desist Orders and Notices of Special Hearing. One member from the public attended the June 15, 2015, public hearing and did not wish to present oral testimony. ECB received and considered one written comment on the proposed rule regarding amendments to its rules of procedure.

Hand Delivery of Hearing Officer Decisions and Orders

The Environmental Control Board (ECB) has amended sections 48 RCNY 3-57, 3-71 and 3-73 of its rules of procedure. The changes will allow for service by ECB of hearing officer decisions and orders by hand delivery or by mail.

ECB's current rule, 48 RCNY 3-57, requires ECB to serve decisions and orders on all parties but is silent as to how decisions are served. However, sections 3-71 and 3-73 refer to "mailing" of decisions and orders. Currently, ECB serves all decisions and orders by mail. To reduce costs, provide an additional service option, and to further clarify when the time to appeal begins to run, ECB has amended the rule to allow for both mailing and hand delivery of decisions and orders.

The amendment to 48 RCNY 3-57 also requires amending sections 3-71 and 3-73 of ECB's rules because, as stated above, those rules currently only refer to "mailing" of decisions and orders.

Delivery of Cease and Desist Orders and Notices of Special Hearing by Regular Mail

ECB has amended 48 RCNY 3-91 to allow ECB to serve Cease and Desist Orders and Notices of Special Hearing by regular mail instead of by certified mail, return receipt requested. The Board issues a Cease and Desist order after the Department of Environmental Protection (DEP) has issued a respondent a notice of violation or several notices of violation, ECB has found the respondent in violation and the respondent has failed to correct the condition for which the violation was issued. The Cease and Desist Order requires the respondent to appear at a special hearing or have the equipment that is the subject of the violation sealed.

ECB has determined based on experience that service of these orders by certified mail is not needed since the DEP also serves these orders by delivering them to respondents at the address where the equipment at issue to be sealed is located. Furthermore, ECB records show that the United States Postal Service returns many of these mailings to ECB because respondents fail to go to the post office to pick them up. Finally, ECB rules provide for prompt hearing (post-sealing special hearing) should equipment be sealed based on a failure to appear at a pre-sealing hearing.

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise

Section 1. Subdivision (a) of Section 3-57 of Chapter 3 of Title 48 of the Rules of the City of New York is amended to read as follows:

(a) *Hearing Officer's Recommended Decision and Order.* As soon as possible after conclusion of the hearing, the hearing officer shall prepare a recommended decision and order. The hearing officer's decision shall set forth findings of fact and conclusions of law, and it shall set forth the hearing officer's reasons for findings on all material issues. If the charges contained in the notice of violation are upheld, the hearing officer shall prepare an order setting forth the penalty, and if the board is authorized by law to impose remedial relief or other sanction, the relief or sanctions recommended. The recommended decision and order shall be filed with the executive director and served on all parties or their authorized representatives either personally or by mail.

§ 2. Subdivision (a) of Section 3-71 of Chapter 3 of Title 48 of the Rules of the City of New York is amended to read as follows:

(a) *Filing.* Any party aggrieved by the hearing officer's recommended decision and order may, within 30 days of [mailing] service of the same on that party, file written exceptions with the tribunal. A copy of the exceptions shall be served upon all parties, and proof of such service

filed with the tribunal within 30 days of the [mailing] service of said decision and order on the party filing exceptions. Written exceptions must contain a concise statement of the issues presented, specific objections to the findings of fact and conclusions of law set forth in the hearing officer's recommended decision and order, and arguments presenting clearly the points of law and fact relied on in support of the position taken on each issue.

§ 3. Section 3-73 of Chapter 3 of Title 48 of the Rules of the City of New York is amended to read as follows:

§3-73 Payment of Penalty.

a) No appeal by a respondent shall be permitted unless, within 20 days of the [mailing] service of the hearing officer's recommended decision and order on the respondent or the respondent's authorized representative, the civil penalty imposed by said order is paid or the respondent shall have posted a cash or recognized surety company bond in the full amount imposed by the decision and order appealed from.

(b) Any application for a waiver of such prior payment of the civil penalty must be made within 20 days of the [mailing] service of the hearing officer's recommended decision and order on the respondent or the respondent's authorized representative and must be supported by evidence of financial hardship. Waivers of such prepayment may be granted in the discretion of the executive director.

§ 4. Paragraph (c) of Section 3-91 of Chapter 3 of Title 48 of the Rules of the City of New York is amended to read as follows:

(c) *Service.* The order to cease and desist and notice of special hearing shall be served personally [or] and by [certified] regular mail [, return receipt requested].

Notice of Promulgation of Rule

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Environmental Control Board (ECB) in accordance with Sections 1043 and 1049-a of the New York City Charter and Chapter 4-E of Title 16 of the New York City Administrative Code. The ECB has amended its Sanitation Penalty Schedule, which is found in Section 3-122 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. It contains penalties for notices of violation issued by the New York City Department of Sanitation (DSNY). The rule was published in The City Record on May 15, 2015 and a public hearing was held on June 15, 2015.

Statement of Basis and Purpose of Final Rule

The Environmental Control Board (ECB) held a public hearing on June 15, 2015 regarding amendments to its Sanitation Penalty Schedule. The Sanitation Penalty Schedule is found in Section 3-122 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. One individual from the public attended the June 15, 2015 public hearing. No written comments or oral testimony concerning this Proposed Rule were received at the June 15, 2015 public hearing.

Local Law 69 (LL 69) of 2013 holds the manufacturers of refrigerant-containing appliances responsible for the lawful recovery of refrigerants from appliances disposed of by residents. Since the enactment of LL 69, the Department of Sanitation (DSNY) has adopted amendments to Chapter 17 of Title 16 of the Rules of the City of New York. DSNY's rules:

- Establish the registration requirements for "responsible parties," meaning the brand owner or manufacturer of refrigerant-containing appliances;
- Describe the obligations of responsible parties, including the requirement to indicate whether they will establish their own recovery program, participate with other responsible parties in a recovery program, or partake in DSNY's recovery program;
- Establish fees associated with DSNY's refrigerant recovery program, and describe the required information that must be contained in the biannual bill sent by DSNY to a responsible party;
- Create a process by which a responsible party can challenge DSNY's biannual bill;
- Establish annual reporting requirements for responsible parties who establish their own or participate with other responsible parties in refrigerant recovery programs;
- Establish violations and fines for failing to comply with certain requirements of the rule;
- Establish a violation, punishable by a fine of \$500, for any responsible party who disposes of a refrigerant-containing appliance without arranging for the lawful recovery of the appliance's refrigerants, as provided by LL 69; and

- Establish that enforcement proceedings may be brought as civil actions or in a proceeding before the Environmental Control Board (ECB).

To enforce the amendments to Chapter 17 of Title 16 of the Rules of the City of New York related to the proper disposal of refrigerants, ECB has amended its Sanitation Penalty Schedule to create penalties for violations of these rules.

ECB's authority for these rules is found in Chapter 4-E of Title 16 of the Administrative Code of the City of New York and Sections 1043(a) and 1049-a of the New York City Charter.

New material is underlined.
