## YOUTH AND COMMUNITY DEVELOPMENT

### YOUTH SERVICES

#### ■ AWARD

*Human Services/Client Services*

**NEIGHBORHOOD YOUTH TEAM SPORTS FY26 NA** - Negotiated Acquisition/Pre-Qualified List - Other - PIN# 26025N0121012 - AMT: \$50,000.00 - TO: Urban Dove Inc., 21-21 41st Avenue, Suite 2D, Long Island City, NY 11101.

The New York State Office of Children and Family Services (OCFS) created the new fund in the state's fiscal year 2024-2025 budget to provide awards to support youth team sports programs for underserved youth under age 18. The funding supports youth development through team sports programs and would be awarded to local community-based organizations and nonprofits. Grant requires the City to have funds awarded and expensed prior to the grant end date of September 30, 2025. Therefore, DYCD is allocating \$1,700,000 of this grant for an opportunity to recruit new providers. It's anticipated the new providers will operate programs between April through September to ensure DYCD is within the grant's award terms.

In accordance with section 3-04 (b)(2)(i)(B) of the Procurement Policy Board Rules, the Department of Youth and Community Development (DYCD) is requesting approval to procure Youth Team Sports (YTS) services through the Negotiated Acquisition (NAQ) method. DYCD would release a competitive NAQ which could potentially lead to DYCD negotiating with those who respond and would be found viable to operate Youth Team Sports program and who do not currently hold a DYCD contract to expand the provider pool and capacity. DYCD makes this request pursuant to Section 3-04(b)(2)(i)(B) as funds available from the New York State Office of Children and Family Services (OCFS) will be lost to the City if DYCD is unable to start the competitive NAQ.

## AGENCY RULES

### PARKS AND RECREATION

#### ■ NOTICE

#### CAPA REGULATORY AGENDA FY 2026

Pursuant to section 1042 of the Charter, the New York City Department of Parks & Recreation ("Parks") sets forth below its regulatory agenda for the City's fiscal year of 2026:

1. **SUBJECT:** Proof of Disability for Recreation Center Membership
  - A. **Reason:** A person with a disability is eligible for a reduced Recreation Center Membership fee if, when purchasing or renewing their membership, the individual presents one or more documents from a list of approved documents to support the individual's disability status. Recently, an individual with a disability attempting to buy a membership did not have a document from Parks' existing list, but had a different document that is accepted by other agencies as proof of disability. Parks seeks to add three categories of documents to the approved list to render the process easier for individuals who may not have one of the documents on the current list.
  - B. **Anticipated Contents:** Amendments to 56 RCNY Section 2-14.
  - C. **Objectives:** To facilitate individuals with disabilities obtaining a Recreation Center Members for a reduced fee.
  - D. **Legal basis:** Section 389, 533(a)(9), and 1043 of the New York City Charter.
  - E. **Types of Individuals and entities likely to be affected:** individuals with disabilities.
  - F. **Other relevant laws:** None.
  - G. **Approximate schedule:** Third Quarter of 2025

Agency Contacts: Alessandro Olivieri

 Christine Cocheteux  
 (212) 360-1327

2. **SUBJECT:** E-Bikes and Electric Scooters on Park Drives and Greenways

- A. Reason: In 2023 the Department issued a variance to its current rules to allow e-bikes in Class 1, 2, and 3 and electric scooters to operate on park drives and greenways under the Department's jurisdiction. Electric micromobility devices are an increasingly important component of urban transportation systems, as an affordable alternative to car ownership and contributing to the reduction of pollution and congestion. People with mobility limitations and older adults for whom traditional pedal bikes may not be an option also benefit from e-micromobility options. This variance has allowed the Department to assess the safety and efficacy of the variance. The Department will be seeking to make this variance permanent.
- B. Anticipated Contents: Amendments to 56 RCNY Section 1-05.
- C. Objectives: To allow e-bikes in Class 1, 2, and 3, and electric scooters to operate on park drives and greenways under the Department's jurisdiction.
- D. Legal basis: Section 389, 533(a)(9), and 1043 of the New York City Charter.
- E. Types of Individuals and entities likely to be affected: park users and e-bike and electric scooter riders.
- F. Other relevant laws: None.
- G. Approximate schedule: Third Quarter of 2025.

## READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

### NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at [www.comptroller.nyc.gov](http://www.comptroller.nyc.gov); and click on Prevailing Wage Schedules to view rates.

### CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

### VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc). To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

### SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit [www.nyc.gov/html/sbs/nycbiz](http://www.nyc.gov/html/sbs/nycbiz) and click on Summary of Services, followed by Selling to Government.

### PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc).

### NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

### PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit [www.nyc.gov/mocs](http://www.nyc.gov/mocs).

### ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit [www.nyc.gov/sbs](http://www.nyc.gov/sbs) and click on M/WBE Certification and Access.

### PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

### PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc)

### HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
