A new RFP to replace the current pool of vendors was solicited in June, 2021, with responses received in September, 2021. Due to delays in configuring an evaluation committee, the change in administration, and volume of proposals (142 proposals received over the 3 classes), a new pool of vendors will not be in place by 6/30/22. While the evaluation committee continues to thoroughly evaluate the proposals, DoITT is utilizing the Negotiated Acquisition Extension procurement method under the current SI pool, in order to continue to provide uninterrupted Citywide Standby System Integration Services. This will allow the service to still be available to all agencies Citywide, while we continue to finalize awards from the current RFP to have in place for next year.

REQUEST FOR QUALIFICATION AND EXPRESSION OF INTEREST FOR PROFESSIONAL CONTINGENT AND TEMPORARY STAFFING - Request for Information - PIN# 23-000XXR - Due 9-9-22 at 2:00 P.M.

This is a preliminary survey to ascertain your firm's interest in performing Staff Augmentation/Contingent Staffing services for the SCA. Our goal with this latest outreach is to determine our ability to enter into direct contract with more firms, reducing our need for the sub-consultant relationship. We are hopeful that this direct contract relationship will give us an opportunity to meet our MWBE goals at the prime level rather than relying on the sub-consultant percentage achievement. We are excited for this potential opportunity and hope to receive responses from enthusiastic partners as well! Interested firms should respond by submitting all requested information and a completed Attachment A, no later than 2:00 P.M., on September 9, 2022.

Responses must be submitted as a single PDF file via email, to Roxane Pacheco, at rpacheco@nycsca.org, AND rfp@nycsca.org. Proposers are responsible for the timely submittal of their response and must comply with all provisions set forth herein. The SCA shall not be held liable for any pre-award activity or costs incurred by your firm for preparation and delivery of its response, negotiating a fee, producing materials, or any labor, in connection therewith. All questions shall be emailed to Ms. Pacheco no later than September 2, 2022. Although proposing firms need not be pre-qualified by the SCA at the time of proposal, each firm must be pre-qualified prior to contract award. The SCA is not making any commitment as a result of this preliminary survey.

In addition to a completed Attachment A, please provide a detailed response to the following questions in your submittal:

- 1. Summary of the functional capabilities of your firm, including your firm's size both in staff and number of placements (annually) and any other services your firm provides (including services ancillary to placing staff).
2. Provide two (2) references from past or present clients (with at least one being within the last year) for which you have provided Staff Augmentation (collection and distribution of resumes) services. Include background information, contact person, and telephone number.
3. Describe any government agency your firm has had as a client.
4. Describe your experience working with or as a Minority Owned, Women Owned or local New York City enterprises to deliver your product or services.
5. Describe steps taken to place staff (such as trainings, searches, preliminary interview(s), background checks, etc.).

6. Describe the typical benefits package offered to placed staff. This should include paid time off, holidays, medical coverage, etc. Current benefit packages are of particular interest to the SCA and we are eager to partner with firms that offer solid benefits to their employees.
7. For 2019, 2020 and 2021, provide your (1) net income, (2) direct costs or cost of revenue, (3) cost of goods sold and (4) total deductions. The SCA will be hosting a Town Hall (likely via Teams) for all interested and qualified respondents. We will discuss the current staffing environment as well as provide an overview of typical Staffing Firm benefit packages that have been implemented by successful SCA counterparts. More information about this event will be shared in coming weeks.

Agency (DHS-FEMA), to provide Federal financial assistance to New York State Division of Homeland Security and Emergency Services (NYS DHSES), as Recipient, and New York City Department of Parks and Recreation (NYCDPR), as Subrecipient, address damage that the Marina sustained during tidal surges and waves associated with Hurricane Sandy and thereby improve the resiliency of the marina to withstand future flooding and coastal storms. The proposed action will also improve the safety and security of the marina, including utility upgrades to bring them up to current codes, and to address ADA accessibility. On October 29, 2012, Hurricane Sandy caused storm damage to several areas of New York State. President Barack H. Obama declared the storm incident period a major disaster on October 30, 2012 (FEMA 4085-DR-NY). This declaration makes Federal Disaster Assistance available to affected communities and certain nonprofit organizations in accordance with the Robert T. Stafford Disaster Relief and Emergency Assistance Act of 1974 (Stafford Act; 42 U.S.C. 5172), as amended.

The proposed action will remove and relocate the park's eastern-most Pier 1 and associated floating docks to a new location, approximately 1,000 feet to the west. The new location will align to the existing boat launch and landward parking area and be closer to Marina concessions. Some materials will be re-used including the western-most floating docks and the pump-out and refueling dock. New pier supports will be concrete pilings with a cast-concrete deck to provide increased strength. New timber decking will maintain the appearance of the existing pier and docks. In a similar layout as the current but with slightly less mooring capacity, floating docks will attach to the pier along with new flotation devices. Commercial docks for ferry service and recreational boat tours will be accessed by aluminum gangways similar to those in use before the storm. A floating dock will also be dedicated for the use of human-powered vessels (i.e. kayaks, SUPs, etc.) A timber wave attenuation screen extending into Flushing Bay will provide for a calmer docking environment and protect the pier and floating docks against future storm events.

In accordance with the National Environmental Policy Act (NEPA), an Environmental Assessment (EA) has been prepared to assess the potential impacts of the proposed action on the human environment. DHS-FEMA's requirement of addressing floodplain management and wetlands protection in accordance with 44 CFR Part 9 is incorporated within the EA. The EA is available for public comment, and comments can be sent via email, to FEMAR2COMMENT@fema.dhs.gov. The EA will be available for download from the website, https://www.nycgovparks.org/facilities/marinas/13 and can be viewed in hard copy at NYC Parks, The Arsenal, Central Park, 830 Fifth Avenue, Room 401, New York, NY 10065. The EA is also available on FEMA's website, https://www.fema.gov/emergency-managers/practitioners/environmental-historic/nepa-repository.

The comment period will end 30 days after the date of this legal notice publication in the Queens Chronicle newspaper. Written comments on the EA can be mailed or emailed to the contact below. If no substantive comments are received, the EA will become final and a Finding of No Significant Impact will be signed. Substantive comments will be addressed as appropriate in the final documents. Contact: Federal Emergency Management Agency, Region II, Environmental Planning and Historic Preservation, 26 Federal Plaza, Suite 1802, New York, NY 10278, or via email, at FEMAR2COMMENT@fema.dhs.gov.

NYCHA additionally recommends that Proposers email questions in advance of the Proposers' Conference to NYCHA's Coordinator, by no later than September 20, 2022, on 12:00 P.M. Questions submitted in writing must include the firm name and the name, title, address, telephone number and email address of the individual to whom responses to the Proposer's questions should be given. Proposers will be permitted to ask additional questions at the Proposers' Conference. All questions and answers will be provided to all firms that received a copy of this RFQ.

Please note that in the event NYCHA receives no responses in connection with this RFQ by the original bid submission deadline, the bid submission deadline shall be extended automatically for seven (7) calendar days. The foregoing extension does not in any way limit NYCHA's right to extend the bid submission deadline for any other reason.

Prior to submitting a bid, please confirm that your bid response includes all required forms and documentation and that all required forms and documentation are properly completed, signed, and notarized, where applicable.

READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards, and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
