- **Win More Contracts, at nyc.gov/competetowin**

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
 Department for the Aging (DFTA)
 Department of Consumer Affairs (DCA)
 Department of Corrections (DOC)
 Department of Health and Mental Hygiene (DOHMH)
 Department of Homeless Services (DHS)
 Department of Probation (DOP)
 Department of Small Business Services (SBS)
 Department of Youth and Community Development (DYCD)
 Housing and Preservation Department (HPD)
 Human Resources Administration (HRA)

AGENCY RULES

HEALTH AND MENTAL HYGIENE

■ NOTICE

Notice of Adoption of Amendment to Chapter 7 of Title 24 of the Rules of the City of New York

In accordance with Section 1043(b) of the New York City Charter ("Charter") and pursuant to the authority granted to the New York City Department of Health and Mental Hygiene ("Department") by Section 556 of the Charter, a notice of public hearing and opportunity to comment on the Department's proposal to amend Chapter 7 of Title 24 of the Rules of the City of New York ("24 RCNY") was published in the City Record on June 12, 2019, and a public hearing was held on July 15, 2019. No one testified at the public hearing and no public comments were received. The Department did not make any change to the proposed amendments and now adopts the amendments as set forth below.

Statement of Basis and Purpose

In 2018, Chapter 7 of 24 RCNY was repealed and restated to, among other things, provide a list of monetary penalties associated with violations of the New York City Health Code ("Health Code") and other applicable law or regulations enforced by the Department.

This rule change amends the penalty associated with failure to remove canine waste by aligning it with the maximum penalty prescribed in state law. With certain exceptions, New York State Public Health Law §1310 ("PHL §1310") requires the dog owner or person having possession, control or custody of a dog to remove any feces left by such dog from any public area. PHL § 1310 provides that a violation of that duty is punishable by a fine of not more than \$250. Currently, Appendix 7-A of Chapter 7 of 24 RCNY sets the initial penalty for failure to remove canine waste at \$100 with a default penalty of \$200. The Department now amends the penalty for both an initial and default violation to match the \$250 penalty provided in PHL §1310.

Statutory Authority

This rule amendment is authorized by PHL § 1310; Charter §§ 555(b) (2), 556, 558(b) and (e) and 1043 and § 3.11 of the Health Code.

- PHL § 1310 provides that a failure to remove canine waste from a public area is punishable by a fine not exceeding \$250.
- Charter § 555(b)(2) authorizes the Commissioner of Health and Mental Hygiene to assess penalties for health-related regulations.
- Charter § 556 authorizes the Department to regulate all matters affecting health in the City of New York.
- Charter § 558 authorizes the Board of Health to set civil penalties for the enforcement of the Health Code.
- Charter § 1043 gives the Department rulemaking powers.
- Health Code § 3.11 provides the penalty range for violations of the Health Code or other applicable law or regulation enforced by the Department.

New material is underlined.
 [Deleted material is in brackets.]

Section 1. The penalty for NYS PHL 1310 contained in Appendix 7-A of Chapter 7 of Title 24 of the Rules of the City of New York is amended to read as follows:

Section of Law	Violation Description	Standard Penalty	Default Penalty
NYS PHL 1310	Failure to remove canine waste	[100] <u>250</u>	[200] <u>250</u>

Notice of Concept Paper

Healthcare and Social Service Systems in New York City, have made efforts to improve the health of the most vulnerable populations; however, these systems were not designed to be equitable or to address the complex needs of communities suffering from historical and contemporary injustices, including poverty, racially-motivated segregated housing, disinvestment, and discrimination. The Department of Health and Mental Hygiene's (DOHMH) Harlem Health Advocacy Partners (HHAP) is a place-based Community Health Worker (CHW) program aiming to address this systems gap. Launched in 2014 as a Demonstration Project, the initiative operates in 5 NYC Housing Authority (NYCHA) public housing developments in East and Central Harlem, which are home to nearly 10,000 adults. DOHMH proposes to issue an RFP for a contractor to provide East and Central Harlem NYCHA residents, health coaching to increase self-efficacy for healthy behavioral changes and disease management, and to build community capacity to seek and/or create healthy conditions and acceptable services through advocacy to government and other service providers.

The Concept Paper will be posted on the DOHMH website, www.nyc.gov/health, October 23, 2019 through December 6, 2019. Written comments in response to the Concept Paper should be submitted to RFP@health.nyc.gov. Please include "HHAP CHW Concept Paper" in the subject line.
