With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- *Win More Contracts at nyc.gov/competetowin*

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing

information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The proposed action will facilitate a proposal by the applicant to convert ground floor space in two existing buildings from retail uses to JLWQA and convert existing cellar space in both buildings to storage. The project site consists of two adjacent buildings connected through the cellar level, located at 106 Spring Street/93 Mercer Street (Block 485, Lots 21 & 22), within the SoHo Cast Iron Historic District in Manhattan, Community District 2.

The project site is located in a M1-5A district which allows manufacturing and commercial uses up to 5.0 FAR. Retail uses are not allowed below the second story. The upper floors of the project site are currently occupied by 20 units of JLWQA, approximately 10,300 gross square feet (gsf) of ground floor retail and approximately 5,104 gsf accessory retail storage uses at the cellar levels. The applicant states that permitting ground floor JLWQA uses would be consistent with the exiting uses on the project site.

The applicant intends to convert the area below the level of the second floor (the ground floor of both buildings), from their existing Use Group 6 retail use to three JLWQA units. Two of the JLWQA units will be located within the building on Lot 21 and one JLWQA unit will be within the building on Lot 22, totaling approximately 10,300 gsf of JLWQA. The proposed authorization would also permit 5,104 gsf in the cellar space of both buildings to become utilized as storage space associated with the residential uses.

The proposed project is expected to be completed in 2015. Absent the proposed action, the applicant has indicated that the project site would remain with the existing retail and accessory storage uses occupying the ground floor and cellar levels.

Statement of No Significant Effect:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement, dated October 31, 2014, prepared in connection with the ULURP Application (ULURP No. N140142ZAM). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment.

Supporting Statement:

The above determination is based on an environmental assessment which finds that:

1. The project site was previously granted a special permit approval to allow for retail use on the ground floor and cellar level (CEQR No.02DCP057M, receiving a Negative Declaration on December 2, 2002). The building at 106 Spring Street is located within the SoHo-Cast Iron Historic District. As such, the Landmarks Preservation Commission (LPC) was consulted to determine measures appropriate for protecting the significant historic architectural features and building fabric during construction and to develop a continuing maintenance and repair program for historic structure. A Restrictive Declaration was filed against the property to regulate the continued maintenance of the historic building. In connection with the current proposed action, a Modification to the Restrictive Declaration will be filed to regulate the continued maintenance of the historic building.
2. No significant effects on the environment which would require an Environmental Impact Statement are foreseeable.

This Negative Declaration has been prepared in accordance with

Article 8 of the Environmental Conservation Law 6NYCRR part 617.

Name, Description and Location of Proposal:

1901 Emmons Ave., Cherry Hill Gourmet Legalization
The Applicant, Cherry Hill Gourmet, Inc., is seeking a zoning text amendment to the Special Sheepshead Bay District (SSBD) to amend Zoning Resolution (ZR) Section 94-061 in order to permit Use Group 6A food stores in "Area B" of the SSBD (the "Project Site") with no limitation on floor area or frontage per establishment. In addition, the proposed text amendment would allow for technical clarifications to ZR 94-061 language pertaining to permitted uses in SSBD Areas A through H. The proposed action would facilitate a proposal by the Applicant to legalize an existing non-conforming food store (the "Cherry Hill Gourmet Market," 11,627.5 gross square feet (gsf) in total, the "Proposed Development") located in an existing three-story, 51,924 gsf building (the "Building") at 1901 Emmons Avenue within Area B of the SSBD in the Sheepshead Bay neighborhood of Brooklyn Community District 15. The Project Site coincides geographically with "Area B" of the SSBD, is identified as Block 8775, Lot 41, and is zoned R5/C2-2. The R5/C2-2 zoning district covers the entire SSBD, which permits low-density residential development and a range of retail, service, community facility, and office uses. The existing Building is a designated New York City Landmark and is listed on National Register of Historic Places.

The existing Building on the Project Site is occupied by two eating and drinking establishments, the subject Cherry Hill Gourmet food store and restaurant, office spaces, and retail uses. The expected build year for the project is 2015.

Absent the proposed action, the Applicant has stated that the existing Cherry Hill Gourmet food store and restaurant would not be allowed to remain and would become vacant.

Statement of No Significant Effect:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement, dated October 31, 2014, prepared in connection with the ULURP Application (No. N150109ZRK). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment.

Supporting Statement:

The above determination is based on an environmental assessment which finds that no other significant effects on the environment which would require an Environmental Impact Statement are foreseeable.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards, and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
