No. 2309-2009”), authorizing DOITT, on behalf of the City, to grant non-exclusive franchise(s) for the occupation and use of the inalienable property of the City for the installation and maintenance of public pay telephones (as defined in Res. No. 2309-2009); and

**WHEREAS**, a 2031 Coordinated Street Furniture Agreement with a term of 3 years, 8 months, and 24 days would expire on March 22, 2035, the same day as the proposed expiration of the Public Communication Structures Agreement; and

**WHEREAS**, the coterminous expiration of the 2031 Coordinated Street Furniture Agreement and the Public Communication Structures Agreement would allow the City to explore a combined franchise, potentially allowing for greater capital investment and sustained revenue for the City; and

**WHEREAS**, the City Council has determined that the authorization of the 2031 Coordinated Street Furniture Agreement will be in the public interest by enhancing the health, welfare, convenience, and safety of the public;

- (4) where #sign# regulations are modified, a signage plan has been submitted showing the location, size, height and illumination of all #signs# on the #zoning lot#, and the Commission finds that all such #signs#, and any illumination from or directed upon such #signs#, are located and arranged so as to minimize any negative effects from the arena #use# on nearby #residences#, #public parks# and other publicly accessible open spaces;
- (5) where parking regulations are modified, such waiver or reduction of parking spaces will not have undue adverse impacts on the residents, businesses or community facilities in the surrounding area; and
- (6) where loading regulations are modified, a loading plan has been submitted that addresses the operational needs of all servicers of the arena and shows the number, location and arrangement of all loading berths on the #zoning lot#, and the Commission finds that such loading plan is adequate to address the loading demand generated by the arena #use#.

\* \* \*

### 131-10 SPECIAL USE REGULATIONS

\* \* \*

### 131-16 Special Permit for Certain Arenas

On Parcels B and G in the Coney West Subdistrict of the #Special Coney Island District#, the City Planning Commission may permit an arena in accordance with the provisions of paragraph (d) of Section 74-182 (Arenas, auditoriums, stadiums or trade expositions).

### 131-20 SIGN REGULATIONS

\* \* \*

### 131-60 SPECIAL PERMIT FOR AUDITORIUMS

#### [MOVING PROVISIONS TO CPC SPECIAL PERMIT FOR ARENAS SECTION 74-182]

The special permit set forth in this Section is established to allow outdoor entertainment #uses# on a limited-term basis in a unique beachfront location within the #Special Coney Island District#. The development of such #uses# on a temporary basis pursuant to this special permit provides for the opportunity for a valuable public amenity to exist within an area that, while approved for future #residential development# pursuant to the #Special Coney Island District# plan, is currently underutilized and does not exhibit the characteristics of a well-developed #residential# neighborhood. Any special permit granted under this Section shall be subject to a term-of-years, in order to ensure that such #uses# are consistent with, and

do not impede, the goal of long-term revitalization of the surrounding area, pursuant to the #Special Coney Island District# plan.

In the Coney West Subdistrict, for Parcels B and G, the City Planning Commission may approve, by special permit, open-air auditoriums with greater than 2,000 seats, for a term no greater than 10 years from the date a certificate of occupancy, including a temporary certificate of occupancy, has been issued, provided that the proposed auditorium meets the conditions of paragraph (a) and the findings of paragraph (b) of this Section, in addition to the #sign# provisions of paragraph (c) and parking provisions of paragraph (d) of this Section.

For any application for such special permit, the applicant shall provide plans to the Commission including, but not limited to, a site plan, signage plan, parking and loading plan, lighting plan and an operations plan (the "Proposed Plans").

- (a) The Commission may permit open-air auditoriums with a maximum of 5,100 seats, provided the Proposed Plans demonstrate that:
  - (1) at all times when Riegelmann Boardwalk is open to the public, all publicly accessible space, as shown on the Proposed Plans, will remain accessible to the public, except that access may be restricted as necessary during scheduled events, for the setup and takedown for such events, and in connection with maintenance activities. Any barriers erected for the purpose of restricting access or visibility during such events shall be completely removed at all other times;
  - (2) the height of all structures, temporary or fixed, does not exceed 70 feet in height, as measured from the level of Riegelmann Boardwalk;
  - (3) any roof or structural canopy above the open-air auditorium seating area will be removed prior to the month of November and shall remain removed during the entire off-season period between November through April, as well as in advance of severe weather events;
  - (4) the signage plan and parking and loading plan comply with the provisions of paragraphs (c) and (d) of this Section, respectively; and
  - (5) the City and applicant will enter into an agreement under which Parcel G will be returned to the City as of the expiration of the term of the special permit in a condition set forth in such agreement appropriate for #use# as a #public park#.
- (b) In granting such permit, the Commission shall find that:
  - (1) such open-air auditorium will not unduly impair the essential character or the future #use# or #development# of the surrounding area, pursuant to the goals and objectives of the #Special Coney Island District# plan;
  - (2) the outdoor lighting for such open-air auditorium is located and arranged so as to minimize any negative effects on nearby #residences# and #community facilities#, and that the Proposed Plans include noise attenuation features and measures which serve to reduce the effect of noise from the open-air auditorium on the surrounding area, including nearby #residences# and #community facilities#;
  - (3) the construction of a stage as part of any #building# on Parcel B, for the purpose of accommodating an open-air auditorium #use#, will:
    - (i) enable the stage area to be closed to the outdoor portion of the open-air auditorium during the off-season when the open-air auditorium is not in use, so as to be operated for indoor entertainment #uses# with an eating and drinking establishment or other #use# permitted on Parcel B; and
    - (ii) allow for such #building# to be operated, subsequent to the expiration of the special permit, for #uses# permitted on Parcel B, such as eating or drinking establishments with entertainment;
  - (4) appropriate visual and pedestrian connections are maintained in the general area of the former street bed from the termination of West 22nd Street to Riegelmann Boardwalk;
  - (5) the portions of the site not dedicated to the stage area or event seating are so designed to serve as a full-time park-like resource for the public, and the portions of the site designed

for open-air auditorium #use# serve as a high-quality open space resource when not in auditorium use;

- (6) any roof or structural canopy above the open-air auditorium seating area will be visually unobtrusive, and maximize openness and visibility between the site and Riegelmann Boardwalk;
  - (7) the operations plan, which shall include a protocol for queuing for concertgoers, demonstrates that there would be no interference with the public use and enjoyment of adjacent public facilities; and
  - (8) the site plan, signage plan and lighting plan incorporate good design, effectively integrate the site with surrounding streets and Riegelmann Boardwalk, and are consistent with the purposes of the #Special Coney Island District#.
- (c) The Commission may, through approval of the Proposed Plans, permit #signs# notwithstanding the applicable #sign# regulations, except that #flashing signs# shall not be permitted and only #advertising signs# that are oriented toward the interior of the open-air auditorium and not visible from Riegelmann Boardwalk or other public area shall be permitted.

In order to permit such #signs#, the Commission shall find that proposed signage is appropriate in connection with the permitted open-air auditorium #use#, is not unduly concentrated within one portion of the site, and will not negatively affect the surrounding area.

- (d) The Commission may, through approval of the Proposed Plans, reduce or waive required parking or loading requirements, provided the Commission finds that the open-air auditorium will be adequately served by a combination of surrounding public parking facilities and mass transit. In addition, the Commission shall find that the proposed loading facilities on the site are located so as not to adversely affect the movement of pedestrians or vehicles on the #streets# surrounding the auditorium.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area. Such conditions and safeguards may include, but are not limited to, restrictions on signage or requirements for soundproofing of auditoriums, shielding of floodlights or screening of open #uses#.

Upon the first issuance of this permit for an open-air auditorium, the effective period of the permit shall be 10 years from the date a certificate of occupancy, including a temporary certificate of occupancy, has been issued. To establish the term of years for subsequent applications for this special permit, the Commission shall, in determining whether the finding of paragraph (b)(1) of this Section is met, take into account the existing character of the surrounding area, as well as #residential# and #community facility development# proposed or under construction on surrounding #blocks#, and shall also consider whether continuation of such auditorium #use# within a proposed term of years would be compatible with or may hinder achievement of the goals and objectives of the #Special Coney Island District# plan. Subsequent applications for this special permit shall be filed no later than one year prior to expiration of the term of the permit then in effect.

The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."**

### HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City's PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at [https://passport.cityofnewyork.us/page.aspx/en/rfp/request\\_browse\\_public](https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public)

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit <https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page>

**PARKS AND RECREATION****BUSINESS DEVELOPMENT****■ SOLICITATION***Goods and Services*

**NOTICE OF INTENT TO ENTER INTO NEGOTIATIONS FOR THE OPERATION AND MAINTENANCE OF WWII VETERANS WAR MEMORIAL ICE SKATING RINK IN CLOVE LAKES PARK, STATEN ISLAND** - Negotiated Acquisition - Judgment required in evaluating proposals - PIN# R5-A-IS-SB - Due 12-18-25 at 5:00 P.M.

In accordance with Section 1-14 of the Concession Rules of the City of New York ("Concession Rules"), the New York City Department of Parks and Recreation ("Parks") intends to enter into a non-significant negotiated concession for a license agreement for the operation and maintenance of WWII Veterans War Memorial Ice Skating Rink in Clove Lakes Park, Staten Island.

The term is to not to exceed 5 years, expected to commence no sooner than 10/01/26 with two options to extend for one (1) year each. The concession will be operated pursuant to a license issued by Parks; no leasehold or other proprietary right will be offered.

At this time, it is neither practicable nor advantageous to award this concession by competitive sealed proposals or competitive sealed bids due to the existing conditions at WWII Veterans War Memorial Ice Skating Rink, which require remediation and would restrict the

number of years that could presently be offered as a concession term. NYC Parks is currently conducting a CPSD (Capital Project Scope Development) survey to better understand the full scope of capital needs for the site.

This short-term, negotiated concession is meant to act as a stop-gap agreement that provides the necessary time to complete this survey and incorporate its findings into a comprehensive and informed Request for Expressions of Interest (RFEI) and subsequent Request for Proposals (RFP) for a longer term agreement.

For all of these reasons, it is in the best interest of the City to pursue a negotiated concession for this facility.

**Potential concessionaires that would like to express interest in the proposed concession and/or obtain additional information concerning the concession may contact Kat Cognata, Senior Project Manager for NYC Parks Concessions Unit, at (212) 360-3407 or via e-mail at [katherine.cognata@parks.nyc.gov](mailto:katherine.cognata@parks.nyc.gov) by December 18, 2025.** Thereafter, there will be a process for submission of proposals. Parks will evaluate the proposals on the bases of proposed capital investments; operating experience and financial capability; planned operations; fee offer; and integrated sustainability. Where applicable, Parks may condition the award of this concession upon the successful completion of PASSPort (the Procurement and Sourcing Solutions Portal) Questionnaires and review of that information by the Department of Investigation. In addition, any person or entity with at least a 10% ownership interest in the submitting vendor (including a parent company), may be required to complete PASSPort Questionnaires (Principal Questionnaire for any person and Vendor Questionnaire for any entity with at least a 10% ownership interest in the submitting vendor).

This concession has been determined not to be a major concession as defined by Chapter 7 of the Rules of the City Planning Commission.

Please note that the concession award is subject to applicable provisions of Federal, State, and local laws and executive orders requiring affirmative action and equal employment opportunity.

The New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity who believes that there has been unfairness, favoritism or impropriety in the proposal process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, NY 10007, telephone number (212) 669-2323.

Please address any questions and/or correspondence relating to the potential concession award to Kat Cognata, Senior Project Manager, at (212) 360-3407 or via e-mail at [katherine.cognata@parks.nyc.gov](mailto:katherine.cognata@parks.nyc.gov) (Office of the Concessions Division, City of New York Parks, The Arsenal-Central Park 830 Fifth Avenue, Room 407, New York, NY 10065).

#### STATEMENT OF BASIS AND PURPOSE OF RULE

Local Law 77 of 2023 (LL77), which became effective on June 10, 2023, amended provisions of the New York City Mechanical Code relating to refrigeration, among other changes. The changes related to refrigeration were specifically about provisions to regulate the use of A2L refrigerants, where some of those refrigerants comply with phase 1 of the NYS HFC Law Part 494.1.4 (2), also known as the New York Climate Leadership and Community Protection Act.

A2L refrigerants are a class of mildly flammable, low-toxicity refrigerants that serve as lower global warming potential (GWP) alternatives to traditional hydrofluorocarbons (HFCs) like R-410A. They are primarily used in air conditioning systems, where they cycle between liquid and gas states to absorb indoor heat and release it outdoors, improving energy efficiency in residential and commercial HVAC setups. In commercial refrigeration, A2L refrigerants help maintain cold temperatures for food storage, display cases, and other systems, while reducing environmental impact.

The LL77 modifications codify applicable requirements for the use of such refrigerants by:

- Modifying 1102.2 Refrigerant to include A2Ls.
- Modifying Table 1103.1 to add footnote c to require that all refrigerating systems utilizing refrigerants classified into safety group "A2L" follow the rules of the department.
- Modifying 1104.3.1 Air-conditioning for human comfort deleted group A2, allowing such refrigerant to be used in high probability air conditioning system for human comforts, with some exceptions.     - (A) Refrigerant compressors,
    - (B) Refrigerant pumps,
    - (C) Normally closed automatic refrigerant valves,

(D) Other unclassified electrical sources of ignition with apparent power rating greater than 1 kVA, where the apparent power is the product of the circuit voltage and current rating.
