HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City's PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit <https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page>

REQUEST FOR APPLICATION (RFA)- NYC CATALYST FUND II - Request for Proposals - PIN# 11416- RFA - Due 1-2-29 at 4:00 P.M.

New York City Economic Development Corporation ("NYCEDC") is issuing a Request for Applications ("RFA") to seek applications from investment fund managers (each, a "Fund Manager") that are raising capital for an investment fund (each, an "Investment Fund") with objectives that align with the NYC Catalyst Fund II (the "Program").

The goals of the Program include fueling economic development in New York City, achieving NYCEDC's broader impact, and generating income for NYCEDC. NYCEDC expects to allocate \$25 million to the Program and make commitments up to \$5 million to each Investment Fund selected by the Program. Additional funding may be allocated to the Program at the discretion of NYCEDC.

NYCEDC is interested in funds that have a well-articulated financial return strategy, a demonstrated commitment to New York City, and a strategy that aligns with at least one of the below impact areas:

1. **Diverse Entrepreneurship:** The Fund Manager must demonstrate an investment strategy for the Investment Fund that is focused on investing in underrepresented founders and their businesses.
2. **Economic Mobility:** The Fund Manager must demonstrate an investment strategy for the Investment Fund that is focused on closing income and wealth gaps through, but not limited to, small business financing, workforce and business development, education, and/or alternative wealth creation pathways.
3. **Innovation Sectors:** The Fund Manager must demonstrate an investment strategy for the Investment Fund that is focused on high-growth, innovative industries that are integral to New York City's economic growth and the creation of high-quality local jobs.

NYCEDC plans to select Fund Managers based on factors stated in the selection criteria section of the RFA, which include, but are not limited to: the qualifications and reputation of the Fund Manager and the investment team, the Investment Fund's investment and impact strategy, the Investment Fund's proposed financial terms, and the Fund Manager's investment track record.

It is the policy of NYCEDC to comply with all federal, state and New York City laws and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, age, disability, marital status, and other protected categories and to take affirmative action in working with contracting parties to ensure certified Minority and Women-owned Business Enterprises ("M/WBEs") share in the economic opportunities generated by NYCEDC's projects and initiatives.

Companies that have been certified with the New York City Department of Small Business Services as M/WBEs are strongly encouraged to respond. To learn more about M/WBE certification and NYCEDC's M/WBE program, please visit <http://edc.nyc/opportunity-mwdbe>.

NOTICE OF INTENT TO ENTER INTO NEGOTIATIONS FOR THE OPERATION AND MAINTENANCE OF WWII VETERANS WAR MEMORIAL ICE SKATING RINK IN CLOVE LAKES PARK, STATEN ISLAND - Negotiated Acquisition - Judgment required in evaluating proposals - PIN# R5-A-IS-SB - Due 12-18-25 at 5:00 P.M.

In accordance with Section 1-14 of the Concession Rules of the City of New York ("Concession Rules"), the New York City Department of Parks and Recreation ("Parks") intends to enter into a non-significant negotiated concession for a license agreement for the operation and maintenance of WWII Veterans War Memorial Ice Skating Rink in Clove Lakes Park, Staten Island.

The term is to not to exceed 5 years, expected to commence no sooner than 10/01/26 with two options to extend for one (1) year each. The concession will be operated pursuant to a license issued by Parks; no leasehold or other proprietary right will be offered.

At this time, it is neither practicable nor advantageous to award this concession by competitive sealed proposals or competitive sealed bids due to the existing conditions at WWII Veterans War Memorial Ice Skating Rink, which require remediation and would restrict the number of years that could presently be offered as a concession term. NYC Parks is currently conducting a CPSP (Capital Project Scope Development) survey to better understand the full scope of capital needs for the site.

This short-term, negotiated concession is meant to act as a stop-gap agreement that provides the necessary time to complete this survey and incorporate its findings into a comprehensive and informed Request for Expressions of Interest (RFEI) and subsequent Request for Proposals (RFP) for a longer term agreement.

For all of these reasons, it is in the best interest of the City to pursue a negotiated concession for this facility.

Potential concessionaires that would like to express interest in the proposed concession and/or obtain additional information concerning the concession may contact Kat Cognata, Senior Project Manager for NYC Parks Concessions Unit, at (212) 360-3407 or via e-mail at katherine.cognata@parks.nyc.gov by December 18, 2025. Thereafter, there will be a process for submission of proposals. Parks will evaluate the proposals on the bases of proposed capital investments; operating experience and financial capability; planned operations; fee offer; and integrated sustainability. Where applicable, Parks may condition the award of this concession upon the successful completion of PASSPort (the Procurement and Sourcing Solutions Portal) Questionnaires and review of that information by the Department of Investigation. In addition, any person or entity with at least a 10% ownership interest in the submitting vendor (including a parent company), may be required to complete PASSPort Questionnaires (Principal Questionnaire for any person and Vendor Questionnaire for any entity with at least a 10% ownership interest in the submitting vendor).

This concession has been determined not to be a major concession as defined by Chapter 7 of the Rules of the City Planning Commission.

Please note that the concession award is subject to applicable provisions of Federal, State, and local laws and executive orders requiring affirmative action and equal employment opportunity.

The New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity who believes that there has been unfairness, favoritism or impropriety in the proposal process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, NY 10007, telephone number (212) 669-2323.

Please address any questions and/or correspondence relating to the potential concession award to Kat Cognata, Senior Project Manager, at (212) 360-3407 or via e-mail at katherine.cognata@parks.nyc.gov (Office of the Concessions Division, City of New York Parks, The Arsenal-Central Park 830 Fifth Avenue, Room 407, New York, NY 10065).

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

In accordance with Section 3-04 (b)(2)(i)(B) of the Procurement Policy Board Rules, the Department of Youth and Community Development (DYCD) is requesting approval to procure Youth Team Sports (YTS) services through the Negotiated Acquisition (NAQ) method. DYCD would release a competitive NAQ which could potentially lead to DYCD negotiating with those who respond and would be found viable to operate Youth Team Sports program and who do not currently hold a DYCD contract to expand the provider pool and capacity. DYCD makes this request pursuant to Section 3-04(b)(2)(i)(B) as funds available from the New York State Office of Children and Family Services (OCFS) will be lost to the City if DYCD is unable to start the competitive NAQ. The New York State Office of Children and Family Services (OCFS) created the new fund in the state's fiscal year 2024-2025 budget to provide awards to support youth team sports programs for underserved youth under age 18. The funding supports youth development through team sports programs and would be awarded to local community-based organizations and nonprofits. Grant requires the City to have funds awarded and expensed prior to the grant end date of September 30, 2025. Therefore, DYCD is allocating \$1,500,000 of this grant for an opportunity to recruit new providers.
