#### **Guidance for first-time Microsoft One-Drive Users:**

Microsoft OneDrive ("OneDrive") is a file hosting and synchronization service operated by Microsoft as part of its web version of Microsoft Office. OneDrive allows users to grant access to files which are too large to transmit via electronic mail to other users. If you do not have Office 365, please take the following steps to gain access to a free version of OneDrive so that you can upload those bid submission documents which are too large to transmit via electronic mail:

1. Conduct an internet search for "Microsoft OneDrive;"
2. Navigate to the official Microsoft website and sign up for a free account;

3. Once you have created a folder for the solicitation whose name matches the subject line of your Bid Submission Email, upload the documents relevant to your bid submission in this folder.
4. Create a share link for this folder;
5. Be sure to check your share settings so that anyone receiving the link that you create will be able to open the link and access the files. #### **Statement of Basis and Purpose of Proposed Rule**

The New York City Department of Sanitation (DSNY) is responsible for the removal of certain abandoned vehicles within New York City. An abandoned vehicle, as described in section 1224(2) of the New York State Vehicle and Traffic Law (VTL), includes vehicles parked on the street, without license plates, for more than 6 hours.

This proposed rule would set forth notice requirements to ensure that registered owners and other ascertainable interested parties (including any lienholders or other persons with a legal claim or security interest in an abandoned vehicle) are notified and provided an opportunity to claim the vehicle before the abandoned vehicle is dismantled, destroyed, or disposed of. This proposed rule would also establish procedures for an interested party to challenge the removal of an abandoned vehicle by DSNY or the fees imposed for towing and storage of an abandoned vehicle.

Specifically, this proposed rule would:

- (1) Establish a notice process by which DSNY would send ascertainable owners and interested parties, by certified mail, return receipt requested, or by email, if authorized, a notice containing the following information:
  - a brief description of the abandoned vehicle;
  - the date of such vehicle's removal;
  - instructions on how to redeem such vehicle;
  - all applicable towing and storage fees;
  - instructions on how to request a hearing to challenge the removal of the vehicle and/or the imposition of towing and storage fees;
  - examples of documents to demonstrate that the interested party is entitled to redeem such vehicle; and
  - a statement of DSNY's right to have such vehicle dismantled, destroyed or otherwise disposed of, unless, within 10 calendar days after the date on which such notice is sent, an interested party presents proof to the Department establishing lawful entitlement to possession of such vehicle and pays all applicable fees or requests a hearing.
- (2) Provide an owner or interested party with an opportunity, within 10 calendar days from the date of the notice, to either redeem an abandoned vehicle or to challenge the removal of such vehicle and/or the imposition of any fees imposed.
- (3) Describe the procedure by which an abandoned vehicle can be redeemed.
- (4) Set forth the procedure to challenge the removal of an abandoned vehicle or the fees imposed, which would include a virtual hearing scheduled within 72 hours of a hearing request, subject to modification based on a request for a reasonable accommodation. A decision would be rendered within 5 business days and would constitute a final agency determination.
- (5) State the applicable towing and storage fees based on the weight of a vehicle.

This proposed rule would ensure that all interested parties receive notice and an opportunity to be heard prior to an abandoned vehicle being dismantled, destroyed, or disposed of by DSNY.

New material is underlined.  
[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Subdivision (j) of section 1-05 of Title 16 of the Rules of the City of New York is amended to read as follows:

(j) The procedures outlined in the preceding subdivisions of this section shall not apply to worthless, derelict, abandoned vehicles reported to the Department of Sanitation by the Police Department and other such unidentifiable property found on the streets. The Commissioner or his duly authorized representative is hereby empowered to declare any such derelict property as worthless and valueless and, in accordance with the procedures set forth in section 1-05.2 of this chapter, is authorized to dispose of such property at Department of Sanitation disposal points or, in [his] their discretion, to have such derelict vehicles and other worthless property removed and disposed of by private contractors.

Such notification shall state: that the vehicle must be removed within 2 business days of such notification; that the failure to remove such vehicle within such time period may result in the imposition of additional storage fees; and that the failure to remove such vehicle within 10 calendar days of such notification may result in the dismantling, destruction, or disposal of such vehicle.

(5) If such owner or interested party lawfully entitled to possession of the vehicle does not remove such vehicle within 10 calendar days of the notification provided pursuant to paragraph (4) of this subdivision, the Department may dismantle, destroy, or otherwise dispose of such vehicle pursuant to section 1224 of the New York State Vehicle and Traffic Law.

(e) Procedure to Challenge the Removal of a Vehicle and/or Fees Imposed.

(6) The Department's Legal Division shall review any testimony or evidence submitted at such hearing and, within 5 business days of such hearing, the Department shall issue a hearing determination and provide a copy of such determination to any owner or interested party who attended the hearing by email. Such determination shall be a final hearing determination.

(7) Upon a finding in a final hearing determination that removal of an abandoned vehicle was proper and that an owner or interested party is lawfully entitled to redeem possession of such vehicle, such owner or interested party may redeem such vehicle in accordance with paragraphs (3) and (4) of subdivision (d) of this section.

(8) (i) Upon a finding in a final hearing determination that an owner or interested party is lawfully entitled to redeem possession of such vehicle without payment of any towing or storage fees, such determination shall state, in writing, the location of the vehicle, and shall include written instructions regarding how such owner or interested party may obtain possession of such vehicle. Such final hearing determination shall further state: that the vehicle must be removed within 2 business days of the issuance of such determination; that the failure to remove such vehicle within such time period may result in the imposition of additional storage fees; and that the failure to remove such vehicle within 10 calendar days may result in the dismantling, destruction, or disposal of such vehicle.

(ii) If such an owner or interested party does not remove such vehicle within 10 calendar days of a final hearing determination issued pursuant to this paragraph, the Department may dismantle, destroy, or

## MAYOR'S OFFICE OF CRIMINAL JUSTICE

### ■ NOTICE

#### Notice of Concept Paper

The New York City Mayor's Office of Criminal Justice (MOCJ) seeks to issue a Request for Proposals (RFP) to provide transition services in every borough within NYC (Queens, Manhattan, Brooklyn, Bronx, and Staten Island). Last year approximately 14,000 people left New York City's jails and returned to their communities. Although many are successful in making the transition home, each year approximately 37% return to the city's custody within one year of release. Despite this, New York City has one of the lowest incarceration rates of all large cities in the United States, per capita, with an average daily jail population of approximately 7,000 as of October 2025. Research and practice show that there are still some improvements that can be implemented for individuals' post-release outcomes in the community, particularly within the first 90 days of release.

The MOCJ-funded "Community Justice Re-entry Network" (CJRN), comprised of 10 non-profit agencies across the 5 boroughs, has provided paid transitional employment, job training services, and a variety of supportive social services to thousands of justice-involved New Yorkers to help them stabilize in the community after involvement with the criminal justice system. From January 2021 to June 2025, the CJRN completed more than 17,000 intakes, had more than 3,000 permanent employment placements, and more than 2,500 placements into short-term transitional employment. CJRN also held training sessions for more than 14,000 individuals across a wide range of categories including but not limited to: cognitive behavioral skills, construction, technology, leadership, and peer work.

In an effort to build on the success of the CJRN and refine service delivery, MOCJ seeks to create a coordinated system of transitional services called the "Community Justice Transition Network" (CJTN) to continue discharge planning services and connect individuals leaving city jail to mentoring, education, employment, therapeutic services, and an array of additional supportive services included but not limited to mental health services, substance use treatment, physical healthcare, transitional case management, vital documents, financial literacy, etc. in the community to promote community stability and reduce the likelihood of further justice system involvement. MOCJ seeks to serve anyone who needs transition services as early as their initial contact with the system. Although transitioning back into community is a continuous experience, MOCJ will place emphasis on serving and engaging individuals who are recently released (within 2 years) from custody.

Please email written comments to [mocjprocurements@mocj.nyc.gov](mailto:mocjprocurements@mocj.nyc.gov) no later than January 14th, 2026. Place "Concept Paper for Criminal Justice Transition Network (CJTN) RFP" in the subject line. Questions regarding this RFP must be transmitted in writing to the Agency Contact.
