REVENUE AND CONCESSIONS

■ SOLICITATION

Goods and Services

NOTICE OF INTENT TO ENTER INTO NEGOTIATIONS FOR A CONCESSION FOR THE DEVELOPMENT, OPERATION, AND MAINTENANCE OF A SNACK BAR AND MERCHANDISE CONCESSION WITH THE OPTION FOR A FULL-SERVICE RESTAURANT AT THE ORCHARD BEACH PAVILION, PELHAM BAY PARK, BRONX - Negotiated Acquisition - Judgment required in evaluating proposals - PIN# X39-SB-R - Due 1-16-26 at 5:00 P.M.

In accordance with Section 1-14 of the Concession Rules of the City of New York ("Concession Rules"), the New York City Department of Parks and Recreation ("Parks") intends to enter into a negotiations for a significant concession for the development, operation, and maintenance of a snack bar and merchandise concession with the option for a full-service restaurant at the Orchard Beach Pavilion, Pelham Bay Park, Bronx.

The length of the is term to be negotiated but expected to commence in May 2026. The concession will be operated pursuant to a license issued by Parks; no leasehold or other proprietary right will be offered.

At this time it is not practicable and/or advantageous to award a concession by competitive sealed bidding or competitive sealed proposals due to the existence of a time-sensitive situation where a concession must be awarded quickly because the awarded concessionaire from the recently issued RFP has withdrawn from a concession agreement. Delay in placing a new operator will be a loss for the public in their use of the pavilion, beach, and surrounding areas without having the additional food, merchandise, and beach rental equipment options.

This negotiated concession is meant to act as a solution to efficiently generate revenue to the City, activate public usage of the upcoming new pavilion, restaurant, snack bar and merchandise areas. Without a negotiated concession, the pavilion will remain vacant since Parks does not have the capability or the resources to operate, maintain or secure the facility.

For all of these reasons, it is in the best interest of the City to pursue a negotiated concession for this facility.

Potential concessionaires that would like to express interest in the proposed concession and/or obtain additional information concerning the concession may contact Angel Williams, Senior Project Manager for NYC Parks Concessions Unit, at (212) 360-3495 or via e-mail at Angel.Williams@parks.nyc.gov by January 16, 2026. Thereafter, there will be a process for submission of proposals. Parks will evaluate the proposals on the bases of proposed capital investments, operating experience, financial capability, planned operations, fee offer and integrated sustainability. Where applicable, Parks may condition the award of this concession upon the successful completion of PASSPort (the Procurement and Sourcing Solutions Portal) Questionnaires and review of that information by the Department of Investigation. In addition, any person or entity with at least a 10% ownership interest in the submitting vendor (including a parent company), may be required to complete PASSPort Questionnaires (Principal Questionnaire for any person and Vendor Questionnaire for any entity with at least a 10% ownership interest in the submitting vendor).

This concession has been determined not to be a major concession as defined by Chapter 7 of the Rules of the City Planning Commission.

Please note that the concession award is subject to applicable provisions of Federal, State, and Local laws and executive orders requiring affirmative action and equal employment opportunity.

The New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity who believes that there has been unfairness, favoritism or impropriety in the proposal process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, NY 10007, telephone number (212) 669-2323.

Please address any questions and/or correspondence relating to the potential concession award to Angel Williams, Senior Project Manager, at (212) 360-3495 or via e-mail at Angel.Williams@parks.nyc.gov (Office of the Concessions Division, City of New York Parks, The Arsenal-Central Park, 830 Fifth Avenue, Room 407, New York, NY 10065).

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

MAYOR'S OFFICE OF CRIMINAL JUSTICE

■ NOTICE

Notice of Concept Paper

The New York City Mayor's Office of Criminal Justice (MOCJ) seeks to issue a Request for Proposals (RFP) to provide transition services in every borough within NYC (Queens, Manhattan, Brooklyn, Bronx, and Staten Island). Last year approximately 14,000 people left New York City's jails and returned to their communities. Although many are successful in making the transition home, each year approximately 37% return to the city's custody within one year of release. Despite this, New York City has one of the lowest incarceration rates of all large cities in the United States, per capita, with an average daily jail population of approximately 7,000 as of October 2025. Research and practice show that there are still some improvements that can be implemented for individuals' post-release outcomes in the community, particularly within the first 90 days of release.

The MOCJ-funded "Community Justice Re-entry Network" (CJRN), comprised of 10 non-profit agencies across the 5 boroughs, has provided paid transitional employment, job training services, and a variety of supportive social services to thousands of justice-involved New Yorkers to help them stabilize in the community after involvement with the criminal justice system. From January 2021 to June 2025, the CJRN completed more than 17,000 intakes, had more than 3,000 permanent employment placements, and more than 2,500 placements into short-term transitional employment. CJRN also held training sessions for more than 14,000 individuals across a wide range of categories including but not limited to: cognitive behavioral skills, construction, technology, leadership, and peer work.

In an effort to build on the success of the CJRN and refine service delivery, MOCJ seeks to create a coordinated system of transitional services called the "Community Justice Transition Network" (CJTN) to continue discharge planning services and connect individuals leaving city jail to mentoring, education, employment, therapeutic services, and an array of additional supportive services included but not limited to mental health services, substance use treatment, physical healthcare, transitional case management, vital documents, financial literacy, etc. in the community to promote community stability and reduce the likelihood of further justice system involvement. MOCJ seeks to serve anyone who needs transition services as early as their initial contact with the system. Although transitioning back into community is a continuous experience, MOCJ will place emphasis on serving and engaging individuals who are recently released (within 2 years) from custody.

Please email written comments to mocjprocurements@mocj.nyc.gov no later than January 14th, 2026. Place "Concept Paper for Criminal Justice Transition Network (CJTN) RFP" in the subject line. Questions regarding this RFP must be transmitted in writing to the Agency Contact.
