91-80 PUBLIC ACCESS AREAS

91-81 Certification to modify existing arcades in certain areas

For the purposes of this Section, 'arcade' shall refer to an #arcade# or #through-block arcade# provided in accordance to the provisions of Section 12-10 (DEFINITIONS) and 37-80 (ARCADES); an arcade provided in accordance with paragraphs (a) of Section 37-53 (Design Standards for Pedestrian Circulation Spaces); or an open space provided on a #zoning lot# between the #building street wall# and the #street line# where tables and chairs would otherwise not be allowed as permitted obstructions.

The provisions of this Section shall apply to existing #buildings# providing an arcade within the boundary designated by Map 8 in Appendix A of this Chapter.

Any underlying provisions restricting the placement of tables and chairs within such arcades may be modified where the Chairperson of the City Planning Commission certifies to the Commissioner of Buildings that such modifications are consistent with the provisions of this Section, as follows:

(a) Seating

Moveable seating in the form of public seating and open air café seating, as well as associated moveable tables, umbrellas and other furnishings, shall be permitted obstructions within an arcade, provided that such obstructions conform to the provisions listed below, as applicable. No plastic material shall be permitted in tables or chairs provided within an arcade. Where an open air cafe is provided, it shall be a permanently unenclosed establishment and may have waiter or table service.

(1) Amount and size of tables and chairs

A minimum of four tables and sixteen chairs shall be provided within an arcade. For the purpose of calculating the percentage of required public seating or open air café seating, every table required by a calculation shall be required to have four chairs.

(i) Public seating

Publicly accessible tables, and associated chairs, shall constitute a minimum of 40 percent of the total amount of tables provided within an arcade. Fractions resulting from such calculation shall be rounded to the nearest whole table.

All tables shall have a minimum diameter of two feet. All publicly accessible chairs shall have seat backs, and the seats shall have a minimum depth of twelve inches and a maximum depth of 20 inches.

(ii) Open air café

Open air café tables, and associated chairs, shall constitute a maximum of 60 percent of the total amount of tables provided within an arcade. Fractions resulting from such calculation shall be rounded to the nearest whole table.

(2) Location restrictions and other prohibitions

No tables or chairs shall be permitted within five feet of any #building# entrance. For arcades with a depth of ten feet or less, as measured from the column face furthest from the #street line# to the #street wall#, a clear pedestrian circulation pathway shall be provided in an amount not less than three feet. For arcades with a depth greater than ten feet, such required clear pedestrian pathway shall be increased to an amount not less than six feet. In addition, for #through-block arcades#, a continuous clear path of ten feet shall be provided, connecting each #street# on which the public access area fronts.

(i) Public seating

Where a proposed modification to an arcade is located on a #zoning lot# with frontage along Water Street, a minimum of 50 percent of the aggregate amount of tables and chairs provided pursuant to paragraph (a)(1)(i) of this Section shall be located within 25 feet of the Water Street #street line#.

(ii) Open air café

Open air cafes shall be located at the same elevation as the adjoining sidewalk

area or #publicly accessible open area#, except that platforms may be provided, provided that they do not exceed a height of six inches. Fences, planters, walls, fabric dividers or other barriers that separate open air cafe areas from other portions of the arcade, or adjacent sidewalks or #publicly accessible open areas# shall be prohibited. No kitchen equipment shall be installed within an open air café.

(3) Hours of operation

(i) Public seating

Tables and chairs shall not be chained, fixed, or otherwise secured during the hours of 7:00 am to 9:00 pm. However, during the nighttime hours of 9:00 pm to 7:00 am such tables and chairs may be removed, or secured within the arcade.

Where public seating and open air cafe seating are provided within an arcade, such public seating shall be subject to the hours of operation of an open air café, as set forth in paragraph (a)(3)(ii) below.

(ii) Open air café

Open air cafes must be in operation and provide service a minimum of 225 days per year.

All furnishings of an open air cafe, including tables, chairs, bussing stations, and heating lamps, shall be completely removed from the arcade when the open air cafe is not in active use, except that tables and chairs may remain in such arcade if they are unsecured and may be used by the public without restriction.

(4) Locating public seating within an adjacent #publicly accessible open area# Where tables and chairs are provided in an arcade located on the same #zoning lot# as an existing #publicly accessible open area# that fronts upon Water Street, the Chairperson of the City Planning Commission may certify public seating provided pursuant to paragraph (a)(2)(i) of this Section to be located within such a #publicly accessible open area#. The area within such #publicly accessible open area# occupied by public seating provided pursuant to this paragraph shall not be included in calculating the maximum #lot coverage# which permitted obstructions may occupy within such #publicly accessible open area#. Such public seating shall not constitute a design change pursuant to the provisions of Section 37-62 (Changes to Existing Publicly Accessible Open Areas) provided the Chairperson finds that:

(i) no more than 50 percent of the aggregate amount of public seating required pursuant to paragraph (a)(2)(i) above is located within such #publicly accessible open area#;

(ii) such public seating shall in no event constitute required seating for such existing #publicly accessible open area#; and

(iii) such public seating complies with the hours of operation provisions of paragraph (a)(3) above.

Any proposed design change to an existing #publicly accessible open area# beyond the findings permitted in this Section shall be subject to the requirements of Section 37-62 (Changes to Existing Publicly Accessible Open Areas).

(b) Litter receptacles

Litter receptacles shall be permitted obstructions within an arcade pursuant to the provisions set forth in Section 37-744 (Litter receptacles).

In order to certify the proposed modification to an existing arcade is consistent with the provisions of this Section, the applicant shall submit to the Chairperson:

(1) a site plan demonstrating the proposed obstructions within the existing arcade, and where applicable, the adjacent #publicly accessible open area#; and

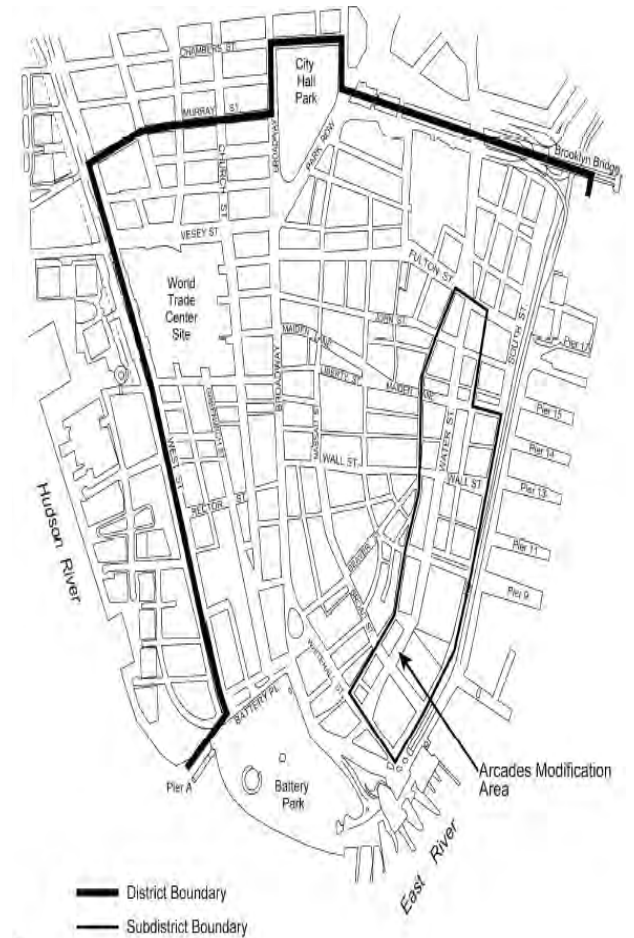

(2) a detailed seating plan illustrating conformance with paragraph (a) of this Section.

All plans for arcades or other #publicly accessible open areas# that are the subject of a certification pursuant to this Section shall be filed and duly recorded in the Borough Office of the City Register of the City of New York, indexed against the property in the form of a legal instrument, in a form satisfactory to the Chairperson, providing notice of the certification of the arcade, pursuant to this Section. Such filing and recording of such instrument shall be a precondition to certification. The recording information shall be included on the certificate of occupancy for any #building#, or portion thereof, on the #zoning lot# issued after the recording date.

AGENCY RULES

TAXI AND LIMOUSINE COMMISSION

■ NOTICE

Notice of Public Hearing and Opportunity to Comment on Proposed Rules

What are we proposing? The Taxi and Limousine Commission is considering changing its for-hire vehicle base owners rules. The change would make for-hire vehicle bases responsible for affiliated drivers who engage in "street hails" instead of operating by prearrangement, as required. Base owners would be fined \$100 for each violation committed by a driver operating a for-hire vehicle affiliated with the base.

When and where is the Hearing? The Commission will hold a public hearing on the proposed rule. The public hearing will take place at 10:00 A.M. on Thursday, April 21, 2011. The hearing will be in the Commission hearing room at 33 Beaver Street, 19th Floor, New York, NY 10004.

How do I comment on the proposed rules? Anyone can comment on the proposed rules by:

- **Mail.** You can mail written comments to the Taxi and Limousine Commission, Office of Legal Affairs, 33 Beaver Street – 22nd Floor, New York, New York 10004.
- **Fax.** You can fax written comments to the Taxi and Limousine Commission, Office of Legal Affairs, at 212-676-1102.
- **Email.** You can email written comments to tlcrules@tlc.nyc.gov.
- **Website.** You can submit comments to the Taxi and Limousine Commission through the NYC Rules Web site at www.nyc.gov/nycrules.
- **By Speaking At the Hearing.** Anyone who wants to comment on the proposed rule at the public hearing must sign up to speak. You can sign up before the hearing by calling 212-676-1135. You can also sign up in the hearing room before the hearing begins on April 21, 2011 at 10:00 A.M. You can speak for up to three minutes.

Is there a deadline to submit written comments? Yes, you must submit written comments by April 20, 2011.

Do you need assistance to participate in the Hearing? You must tell the Office of Legal Affairs if you need a reasonable accommodation of a disability at the Hearing. You must tell us if you need a sign language interpreter. You can tell us by mail at the address given above. You may also tell us by telephone at 212-676-1135. You must tell us by Thursday, April 14, 2011.

Can I review the comments made on the proposed rules? A few days after the hearing, a transcript of the hearing and copies of the written comments will be available to the public at the Office of Legal Affairs at 33 Beaver Street, 22nd Floor, New York, NY 10004.

What authorizes the Commission to make this rule? Sections 1043 and 2303 of the City Charter and section 19-503 of the City Administrative Code authorize the Commission to make this proposed rule. This proposed rule was not included in the Commission's regulatory agenda for this Fiscal Year because the need for the rule was not anticipated at the time the regulatory agenda was published.

Where can I find the Commission's rules? The Commission's rules are in title 35 of the Rules of the City of New York.

What rules govern the rulemaking process? The Commission must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043(b) of the City Charter.

Statement of Basis and Purpose of Proposed Rule

The Taxi and Limousine Commission's rules require for-hire vehicle drivers to pick up passengers only by pre-arrangement through for-hire vehicle bases. For-hire vehicle drivers and for-hire vehicle owners are subject to penalties for accepting illegal "street hails," but for-hire vehicle base owners are not subject to these penalties.

In 2009, as part of a comprehensive revision of rules applicable to the for-hire vehicle industry, the TLC proposed fines for vehicle base owners when their drivers accept "street hails." Industry representatives objected to the penalties, and the Commission dropped the fines from its rules proposal.

Despite aggressive TLC enforcement against for-hire vehicle drivers and owners, the problem of illegal "street hails" persists. The TLC therefore proposes a \$100 fine on a vehicle base owner for each illegal "street hail" accepted by its drivers, providing all vehicle base owners with the incentive to prevent their drivers from accepting illegal "street hails" without harming responsible bases.

New material is underlined.

[Material inside brackets indicates deleted material.]

\$59B-25 Operations – Miscellaneous Operating Requirements

- (a) *No Street Hails Permitted.* [A] No Base Owner will allow a Vehicle affiliated with the Base to transport Passengers for hire other than through pre-arrangement with the Base [must maintain and enforce rules and policies preventing Vehicles affiliated with the Base or dispatched by the Base and Drivers of these Vehicles from accepting street hails].

\$59B-25(a) Fine: [Suspension until compliance] Appearance \$100 for every violation of §55-19 (a) NOT REQUIRED or (b) committed by Drivers of Vehicles affiliated with the Base.

HEALTH AND MENTAL HYGIENE

NOTICE

NOTICE OF THE ESTABLISHMENT OF MOBILE FOOD VENDOR PERMIT WAITING LISTS BY THE NEW YORK CITY DEPARTMENT OF HEALTH AND MENTAL HYGIENE

On May 9, 2011, the Department of Health and Mental Hygiene (DOHMH) will establish, utilizing a random selection process, three (3) separate waiting lists for Green Cart permits -- two-year, full-term mobile food vendor unit permits authorizing the holders thereof to sell only raw fresh fruits and vegetables within designated areas of the City -- for the Bronx, Brooklyn, and Staten Island. At this time, no lists will be created for Manhattan or Queens.

Application packages with detailed instructions for inclusion in the selection process for the Green Cart permit waiting lists may be obtained via the internet at www.nyc.gov/greencarts, by calling 311, or in person at the New York City Department

of Consumer Affairs Licensing Center, located at 42 Broadway, 5th Floor, New York, New York 10004, Monday through Friday from 9:00 A.M. to 5:00 P.M.

In order to be eligible for inclusion in the selection process to establish these waiting lists, - the applicant must have a valid mobile food vendor license (ID badge) issued by the Department of Health and Mental Hygiene on or before Friday, April 29, 2011, and - the applicant must submit a completed waiting list application form by mail only to the address listed on the application form with a postmark dated on or before Friday, April 29, 2011.

All eligible waiting list applications will secure a waiting list position.

In accordance with Local Law No. 9 of 2008, preference or priority for a waiting list position will be given to those applicants who are members of a "preference category" listed in Local Law No.9. This preference or priority will be established by the giving of additional points to those applicants who are:

- already on an existing DOHMH mobile food vending permit waiting list
● United States veterans
● disabled persons

Applicants who do not belong to a preference category/priority group will secure a waiting list position after those who belong to a preference category/priority group.

For each borough list, all applications will be randomly assigned a number on each waiting list. Preference category/priority group applicants will be randomized separately and prioritized accordingly. If the applicant secures a waiting list position based upon a claim of being in one or more of the preference categories/priority groups mentioned above, the applicant will have to provide proof of such claim when the applicant is notified to apply for the Green Cart permit. If an applicant fails to do so, he or she will be disqualified from all Green Cart waiting lists.

Mobile Food Vendor License Applications: Application packages for a mobile food vendor operator's license (ID badge) may also be obtained via the internet at www.nyc.gov/greencarts, by calling 311, or in person at the New York City Department of Consumer Affairs Licensing Center, located at 42 Broadway, 5th Floor, New York, New York 10004, Monday through Friday from 9:00 A.M. to 5:00 P.M. Interested persons should allow at least twenty-five (25) business days to receive the necessary tax documentation and register for and pass the Department's "Mobile Food Vendor Food Protection Course", both of which are required prior to applying for a mobile food vending license.
