ARTICLE VIII, Chapter 1
Special Midtown District
\* \* \*
81-066
Special permit modifications of Section 81-254, Section 81-40, and certain Sections of Article VII, Chapter 7

(a) The City Planning Commission, by special permit, for #zoning lots# where the #lot area# is at least 60,000 square feet or that occupy an entire #block#, may permit modification of the mandatory district plan elements of Section 81-40 or the provisions of Article VII, Chapter 7, that determine the distribution of permitted #floor area# on such #zoning lots# and, in conjunction with such modifications, may also modify the applicable #yard# and #court# requirements. However, no exception to the #street wall# or retail continuity requirements shall be permitted on Fifth Avenue or within 50 feet of Fifth Avenue within the #Special Midtown District#.

The modifications shall be subject to the following findings:

- (a)(1) that the modifications of mandatory plan elements, #floor area# allocation; or #rear yard# and #court# regulations result in a better arrangement of required facilities or in better site planning on a uniquely large #zoning lot#.
(a)(2) that a substantial majority of the #zoning lot# is either vacant at the time of certification for review, pursuant to Section 197-c of the New York City Charter, or contains #buildings# that will be an integral part of the #development#, both physically and programmatically;

- (e)(3) that the design, scale and location of the new #buildings# or #enlarged buildings# are compatible with the character of the surrounding area and existing #buildings# to remain on the #zoning lot#;
(e)(4) that such modifications will not unduly obstruct the access of light and air to surrounding properties;
(e)(5) that any adverse impact on retail continuity is minimized by a site plan that requires pedestrian-oriented #uses# along the boundaries of any open or enclosed public areas within the #development#;
(f)(6) that such modifications of mandatory plan elements or #floor area# allocation are consistent with the basic strategy of the #Special Midtown District# and the purposes of the Mandatory District Plan Elements.

(b) For #developments# or #enlargements# on a #zoning lot# with a #lot area# of at least 60,000 square feet located wholly or partially in the Penn Center Subdistrict which have been granted a #floor area# bonus for subway station and/or rail mass transit facility improvements pursuant to Section 81-541 in accordance with Section 74-634, the Commission may permit modifications of the mandatory district plan elements of Section 81-40, the height and setback regulations of 81-26 and 81-27, or the provisions of Article VII, Chapter 7 that determine the distribution of permitted #floor area# on such #zoning lots# and, in conjunction with such modifications, may also modify the applicable #yard# and #court# requirements subject to the following findings:

- (1) that the modifications of mandatory plan elements, #floor area# allocation or #rear yard# and #court# regulations result in a better arrangement of required facilities or in better site planning on a uniquely large #zoning lot#;
(2) that the design, scale and location of the new #buildings# or #enlarged buildings# are compatible with the character of the surrounding area and existing #buildings# to remain on the #zoning lot#;
(3) that such modifications will not unduly obstruct the access of light and air to surrounding properties;
(4) that any adverse impact on retail continuity is minimized by a site plan that requires pedestrian-oriented #uses# along the boundaries of any open or enclosed public areas within the #development#;
(5) that such modifications of mandatory plan elements or #floor area# allocation are consistent with the basic strategy of the #Special Midtown District# and the purposes of the Mandatory District Plan Elements;
(6) that the improvements to the below-grade pedestrian circulation network provided by the #development# or #enlargement# significantly increase public accessibility to and from subway stations and/or rail mass transit facilities in and around Pennsylvania Station; and
(7) that the modifications of height and setback regulations:
(i) are necessary due to the constraints or conditions of the #development# or #enlargement# and conditions imposed by the configuration of the site; and
(ii) will provide an appropriate distribution of #bulk# on the #zoning lot# with due consideration of the basic strategy of the #Special Midtown District# and the purpose of the District's height and setback regulations. In considering whether such distribution of #bulk# is appropriate, the Commission shall consider a complete daylight evaluation for the proposed design.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.

81-254
Special permit for height and setback modifications

In the #Special Midtown District#, the City Planning Commission may modify the special height and setback regulations set forth in this Chapter only in accordance with the following provisions:

- Section 74-711 (Landmark preservation in all districts) as modified by the provisions of Sections 81-266 or 81-277 (Special permit for height and setback modifications);

212, and the total #floor area# on the adjacent lot resulting from such transfer exceeds the basic maximum #floor area ratio# by more than 20 percent. In such cases, the granting of a special permit by the Commission for height and setback modifications shall be in accordance with the provisions of Sections 81-266 or 81-277;

Section 81-066 (Special permit modifications of Section 81-40, Section 81-254 and certain Sections of Article VII, Chapter 7).

In addition to the provisions of Section 81-29 (Incentives by Special Permit for Provisions of Public Amenities), the City Planning Commission may grant #floor area# bonuses for subway station and/or rail mass transit facility improvements for non-#residential# or #mixed buildings#, in accordance with Section 74-634 (Subway station improvements in commercial zones of 10 FAR and above in Manhattan), and may modify or waive the provisions of Section 81-43 (Street Wall Continuity Along Designated Streets) in accordance with the provisions of Section 74-634, provided that such improvement is approved by the entities which own and/or operate the rail mass transit facility. Prior to granting a special permit, the City Planning Commission shall be provided with:

- (a) a letter from each entity that operates the rail mass transit facility confirming that the drawings of the subway and/or rail mass transit improvement are of sufficient scope and detail to describe the layout and character of the improvements and that the proposed implementation of the improvements is physically and operationally feasible, and
- (b) a legally enforceable instrument containing:
  - (1) drawings of the improvements, as approved by the transit operator;
  - (2) provisions that all easements required for the on-site improvements will be conveyed and recorded against the property;
  - (3) the obligations of the applicant to construct, maintain and provide capital maintenance for the improvements and
  - (4) a schedule for completion of the improvements and a requirement that a performance bond or other appropriate security be provided to insure the completion of the improvements.

For the purposes of this Section, improvements to any rail mass transit facility on a #zoning lot# located wholly or partially within the Subdistrict qualifies for bonus #floor area# in accordance with the provisions of Section 74-634, as modified herein. For #zoning lots# located partially within the Subdistrict, such bonus #floor area# may be located anywhere on such #zoning lot#. In addition, if a subway and/or rail mass transit improvement has been constructed in accordance with an approved special permit and has received a Notice of Substantial Completion in accordance with the provisions of Section 74-634, the bonus #floor area# may be retained at the full amount granted by the special permit and may be utilized elsewhere on the #zoning lot# subject to any applicable review and approval process for such #development# or #enlargement#.

**ALTERNATE DATA CENTER** – Negotiated Acquisition – PIN# 12711CM00077 – DUE 06-15-10 AT 10:00 A.M. – FISA intends to enter into negotiations with vendors for the design, provision and ongoing operation of an Alternate Data Center (ADC) (PIN 12711CM00077). Submissions and the resulting negotiations will be conducted in phases. Vendors who respond to the attached solicitation will be evaluated. Those vendors that are determined by the City to meet the specified qualifications will receive additional information with set time frames in which to respond. As a result of the City's evaluation of the second phase responses, the City may enter into limited contracts with multiple vendors one of which may be extended to cover the full project.

The projected start date of the limited contracts which may be with multiple vendors is approximately 12/15/2010. The projected project end date including approximately five years of ongoing operation of the ADC is 2017, with the possibility of renewal(s) at the City's discretion for approximately 10 additional years. Interested vendors should respond to this solicitation in accordance with the details contained in the attached solicitation.

These dates are subject to unilateral change by the City.

As described in Section 3-04 (b)(2)(ii) of the PPB Rules the basis for the determination of the Negotiated Acquisition procurement method is that there is a limited number of vendors available and able to perform the work required in this project.

**AGENCY RULES**

**PROCUREMENT POLICY BOARD**

■ NOTICE

**NOTICE OF ADOPTION OF FINAL RULE**

The Procurement Policy Board has adopted an amendment to **Chapter 4 Completion of Contracts Following Default or Termination for Cause of Construction and Construction-Related Service Contracts** of its Rules pursuant to Section 311 of the New York City Charter. The amendment was published on April 2, 2010 in the City Record. A public hearing was held on May 5, 2010. The amendment was adopted by the Procurement Policy Board on May 11, 2010.

**Basis and Purpose of the Amendment**

The City requires construction contractors to obtain performance bonds under certain circumstances whereby the surety, upon default of the contractor, obligates to either complete the construction or tender a penal sum to the City. If the surety fails to complete the construction or opts to tender a penal sum to the City, the City agency in question must enter into a completion contract with a different contractor to ensure that the work is completed. The amendment conforms the rule to the performance bond language by allowing an agency to enter into a completion contract after default of a contractor when a surety elects to tender payment of a penal sum, as well as when the surety fails to perform its obligations under the bond.

**The Amended Rule**

In the amendment, which immediately follows this notice, new material is underlined and deletions are bracketed.

Jose Maldonado, Chair

**Section 1. Paragraph (2) of subdivision (c) of section 4-08 of Title 9 of the Rules of the City of New York is amended as follows:**

**Section 4-08 COMPLETION OF CONTRACTS FOLLOWING DEFAULT OR TERMINATION FOR CAUSE OF CONSTRUCTION AND CONSTRUCTION-RELATED SERVICE CONTRACTS**

(c) Application. Completion contracts shall be entered into pursuant to this section in cases where:

- (1) the contractor has been defaulted or terminated for cause;
- (2) there is no surety, or after a demand has been made by the agency, the surety either fails to perform its obligations in a timely manner or elects to tender a payment of funds as performance rather than completing the work, in accordance with its obligations; and
- (3) there is a continuing need to complete all or part of the work.

■ m25-j1

**NOTICE OF ADOPTION OF FINAL RULE**

The Procurement Policy Board has adopted an amendment to **Chapter 2 Vendor Responsibility and Appeal of Determination of Non-Responsibility and Chapter 3 Competitive Sealed Bidding, and Competitive Sealed Proposals** of its Rules pursuant to Section 311 of the New York City Charter. The amendment was published on April 2, 2010 in the City Record. A public hearing was held on May 5, 2010. The amendment was adopted by the Procurement Policy Board on May 11, 2010.

**Basis and Purpose of the Amendment**

The amendments provide for an administrative fee to be charged to prime vendors and subcontractors for vendor name checks to defray the cost of the City's VENDEX system and the Vendor Name Check process. The amount of the fee for the vendor itself and any of its subcontractors for which a Vendor Name Check is made would be charged against payments owed to the vendor once the contract is registered. The amendments also require the CCPO to compile Citywide bidders lists in addition to any agency bidders lists authorized by the CCPO in order to make the administration of City bidder lists more efficient.

**The Amended Rule**

In the amendment, which immediately follows this notice, new material is underlined and deletions are bracketed.

Jose Maldonado, Chair

**Section 1. Subdivision (f) of section 2-08 of Title 9 of the Rules of the City of New York is amended to read as follows:**

**Section 2-08 VENDOR RESPONSIBILITY AND APPEAL OF DETERMINATION OF NON-RESPONSIBILITY.**

(f) Department of investigation and administrative fee.

(1) Prior to making its determination of vendor responsibility, the agency shall request the Department of Investigation to conduct a Vendor Name Check on the proposed vendor, which shall consist of a review of the names on the Questionnaire and other information to ascertain whether the business or its affiliated individuals are or have, during a relevant period of time, been the subject of an investigation by the Department. The Department of Investigation shall undertake the review expeditiously and provide an explanation to an agency if its review is not completed within thirty calendar days of the

request. If the Department of Investigation ascertains that there has been such an investigation, it shall provide a copy of any final report or statement of findings to the Agency Head for use in making the determination of responsibility. If the results of the review are not made available to the agency within thirty calendar days of the request, the agency may make its responsibility determination on the basis of the information then available to it.

(2) For any contract or subcontract that is subject to the Vendor Name Check process set forth in section (f)(1), the CCPO may charge a fee for the administration of the VENDEX system, including the Vendor Name Check process, in the amount of \$175 for contracts of an estimated value less than or equal to \$1,000,000 and \$350 for contracts of an estimated value greater than \$1,000,000. Such fee will be charged against payments made to the vendor on the contract at issue. The timing of the contract award shall not be affected by a fee incurred but not yet paid by the vendor. A prime vendor is responsible for the payment of fees for any subcontractors of the vendor for which Vendor Name Check requests are made. Nothing contained in these Rules shall prohibit a prime vendor from recovering from its subcontractors the amount of such fees attributable to those subcontractors. The VENDEX administrative fee may be waived at the discretion of the CCPO if it is determined that such waiver is in the City's best interest.

**Section 2. Subparagraph (i) of paragraph (1) of subdivision (e) and subdivision (f) of section 3-02 of Title 9 of the Rules of the City of New York are amended to read as follows:**

In addition, bidders lists shall indicate which of the listed businesses have been certified by DSBS [shall maintain a list of businesses certified by that agency] as minority owned, women owned and emerging business enterprises.

(2) The CCPO and agencies, if authorized by the CCPO to maintain bidders lists, shall cause to be continuously published in the City Record notice of the availability of applications for vendors to be added to citywide bidders lists or agency [bidder] bidders lists for goods, services, and construction regularly procured by the City. Pursuant to the Concession Rules of the City of New York, the Department of Transportation ("DOT") intends to enter into a concession for the operation, management, and maintenance of a pedestrian plaza located on DeKalb Avenue between Fulton Street, Bond Street and Albee Square in Brooklyn ("Licensed Plaza"), including through DOT-approved events, sponsorships, and subconcessions including but not limited to providing for the sale of any of the following: prepared food, flowers, locally grown produce or locally manufactured products, merchandise (such as souvenirs or T-shirts) that helps brand or promote the neighborhood or the concessionaire, and other similar merchandise within the Licensed Plaza.

The concessionaire shall issue solicitations in the basic form of a Request for Proposals or a Request for Bids to select entities that will operate and manage such subconcessions. The selection of the entities to operate and manage the subconcessions will be subject to DOT's prior written approval.

The concession agreement will provide for one (1) five-year term, with four (4) one-year renewal options. The renewal options shall be exercisable at DOT's sole discretion.

DOT has identified the Fulton Mall Improvement Association as a potential concessionaire, but DOT will consider additional expressions of interest from other potential not for profit concessionaires for the operation, management, and maintenance of the Licensed Plaza. In order to qualify, interested organizations should be active in the neighborhood of the Licensed Plaza and have demonstrated experience in the management, operation and maintenance of publicly accessible facilities, including but not limited to programming/events management and concession or retail operation/management.

Not for profit organizations may express interest in the proposed concession by contacting Andrew Wiley-Schwartz, Assistant Commissioner for Public Spaces, by email at [awileyschwartz@dot.nyc.gov](mailto:awileyschwartz@dot.nyc.gov) or in writing at 55 Water Street, 9th Floor, New York, NY 10041 by June 8, 2010.
