HOUSING PRESERVATION & DEVELOPMENT

NOTICE

NOTICE OF OPPORTUNITY TO COMMENT ON RULES PERTAINING TO ELECTRONIC SUBMISSION OF CERTIFICATIONS OF CORRECTION

Notice is hereby given pursuant to the authority vested in the Commissioner of the Department of Housing Preservation and Development (“Department”) by Chapter 61 of the New York City Charter and Administrative Code §27-2115(f) that the Department intends to propose rules concerning electronic submission of certifications of correction of Housing Maintenance Code violations. This proposed rulemaking was included in the Department’s regulatory agenda.

Written comment regarding these rules may be sent to Deputy Commissioner Vito Mustaciolo, 100 Gold Street, Room 6-01, New York, N.Y. 10038 on or before July 13, 2010. A public hearing shall be held at 100 Gold Street, New York, N.Y., Room 5R1 on July 13, 2010 from 10:00 A.M. until 11:00 A.M. Persons seeking to testify are requested to notify

Deputy Commissioner Vito Mustaciolo at the foregoing address prior to the date of the hearing. Speakers will be limited to five minutes. Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify Deputy Commissioner Vito Mustaciolo at the foregoing address by July 1, 2010. Written comments and a summary of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, between the hours of 9:00 A.M. and 5:00 P.M. at the Office of Enforcement and Neighborhood Services, 100 Gold Street, Room 6-01, New York, N.Y. 10038, telephone number (212) 863-8594.

Section one. Title 28 of the Rules of the City of New York is amended by adding a new chapter 40, to read as follows:

§ 40-01 Definitions. For purposes of this chapter:

(a) "Authorized Certifier" shall mean a person authorized to certify correction of violations of the Housing Maintenance Code pursuant to subdivision (f) of §27-2115 of such Code.

(b) "Electronic Certification" shall mean an electronic form and any other forms or affidavits required to certify correction of a violation of the Housing Maintenance Code pursuant to subdivision (f) of §27-2115 of such Code.

(c) "Housing Maintenance Code" shall mean chapter two of title 27 of the Administrative Code.

(d) "HPD" shall mean the Department of Housing Preservation and Development of the City of New York or its successor.

§40-02 Electronic Certification Program.

(a) An Authorized Certifier may certify correction of violations of the Housing Maintenance Code to HPD electronically, pursuant to this chapter, after enrolling in the Electronic Certification program, provided, however, that Electronic Certification may not be used to certify correction of any violation of article 14 of subchapter two of the Housing Maintenance Code.

(b) To enroll in the Electronic Certification program or to change any information connected to an existing enrollment, an Authorized Certifier shall submit an application to HPD. Such application shall be submitted both electronically and by mail, in such form as HPD shall approve. The copy submitted by mail shall include a notarized signature. Such form shall require the Authorized Certifier to provide a telephone number and e-mail address for the purpose of receiving a single-use transaction identification code from HPD. HPD shall approve only one Authorized Certifier for each dwelling registered pursuant to the Housing Maintenance Code.

(c) An Authorized Certifier who has been approved for enrollment in the Electronic Certification program will receive a user ID and password for submission of Electronic Certifications. An Authorized Certifier shall protect such user ID and password to ensure against unauthorized use. Such unauthorized use or the submission of a false Electronic Certification may result in revocation of such enrollment and may subject such Authorized Certifier to applicable fines and penalties, including fines and penalties under the Housing Maintenance Code.

(d) Only one certification, whether electronic or by mail, for any one or group of violations may be submitted to HPD. The submission date of an Electronic Certification shall be the date that such certification is electronically time stamped by HPD. The submission date of a mailed certification shall be the postmark date. Where more than one certification is submitted, the certification that has the earliest date shall be the only certification accepted by HPD.

(e) An Authorized Certifier shall be required to inform HPD if there have been any changes that would require a new enrollment in the Electronic Certification program, such as a change in any person or entity that is an Authorized Certifier for such building, or any other changes in information provided in connection with an existing enrollment, such as a change in the Authorized Certifier's telephone number or e-mail address. The existing enrollment shall continue and remain active as long as the building remains validly registered and no changes to the Authorized Certifier enrollment information have been submitted to HPD. Where the Authorized Certifier notifies HPD that there are any such changes, either a new application shall be filed pursuant to subdivision b of this section or the Authorized Certifier shall provide any changed information in accordance with the instructions of HPD. Failure to register a dwelling pursuant to the Housing Maintenance Code, or to notify HPD regarding a change in ownership or management of such dwelling, shall result in revocation of such enrollment.

STATEMENT OF BASIS AND PURPOSE

The proposed rules implement the requirement, enacted by Local Law 29 of 2007, that HPD accept electronic certifications and affidavits of correction of violations of the Housing Maintenance Code, other than certifications of correction of lead-based paint violations. HPD is establishing a process to allow owners to enroll in the Electronic Certification program by submitting an electronic application with a notarized hard copy mailed to the agency. This program provides a mechanism for authenticating the source of the electronic submission. New enrollment or an update of an enrollment will be required upon changes in any enrollment information, including a change in the person or entity that is an Authorized Certifier, as defined in the rules.
