Department, One Police Plaza, Rm. 1406A, New York 10038.

These amended rules were not included in the Department's most recent regulatory agenda because the need for them was not anticipated at the time the agenda was prepared.

Section 19-02 of Title 38 of the Rules of the City of New York is amended and section 19-05 is added to read as follows:

§19-02 Definitions.

For purposes of these rules, the following terms shall have the following meanings:

(a) A "parade" is any procession or race which consists of a recognizable group of 50 or more pedestrians, vehicles, bicycles or other devices moved by human power, or ridden or herded animals proceeding together upon any public street or roadway.

(b) "Same date or time" shall mean the same actual time period or hours.

(c) "Same location" shall mean the location identified in the permit application.

(d) "Demonstration" shall mean a group activity including, but not limited to, a meeting, assembly, protest, rally or vigil, moving or otherwise, which involves the expression of views or grievances, involving more than 20 people.

(e) "Fifth Avenue" shall mean Fifth Avenue in the borough of Manhattan south of 114th Street and north of 15th Street.

(f) "Applicant" shall mean the person or entity that applies for a permit authorizing a parade. Any person or entity responsible for organizing a parade, or any person or entity that publicizes a parade through advertisements or other means of mass communication, is authorized to act as the applicant.

(g) "Charitable Athletic Parade" shall mean an event which is open to the public, the organizers of the event charge no fee or only an administrative fee for participation in the event and the proceeds of the event must be donated to a not-for-profit/charitable organization.

(h) "Non-Charitable Athletic Parade" shall mean an event designed for public participation, which is competitive and recognizes the achievements of participants, for which a fee is paid to the organizers by individual members of the public to participate. Payments required from participants to participate in the event by organizers shall be considered a fee. Non-Charitable Athletic Parades shall be subject to fees pursuant to § 19-05(c).

(i) "Administrative Fee" shall mean a fee collected by the organizers of a Charitable Athletic Parade which is intended solely to defray the administrative costs of the event.

§ 19-05 Fees for Non-Charitable Athletic Parades

(a) The Chief of Department shall assess the fees set forth in subdivision c of this section for non-charitable athletic parades occurring on or after January 1, 2012.

(b) The Chief of Department shall charge an applicant a fee in accordance with the following schedule, which shall be in addition to any fee requirement imposed by the Department of Sanitation or any other fee imposed by any city agency.

(c) Application may be submitted no sooner than 180 days before the event and no later than ten days before the event.

(i) Applications submitted between 180 days and 120 days before the event shall receive the fee assessment associated with the event no later than 90 days before the event.

(ii) Applications submitted less than 120 days but 90 days or more before the event shall receive the fee assessment associated with the event no later than 45 days before the event.

(iii) Applications submitted less than 90 days but 30 or more days before the event shall receive the fee assessment associated with the event no later than 10 days before the event.

(iv) Applications submitted less than 30 days but 10 or more days before the event shall receive the fee assessment as soon as reasonably practical.

(d) Fees assessed must be paid prior to the event.

(e) The fee shall be calculated as 100% of the Police Department's traffic control costs based upon number of police department personnel ("MOS") in the ranks of traffic enforcement agent and associate traffic agents, police officer, detective, sergeant and lieutenant, needed to safely perform traffic control functions as determined by the Office of the Chief of Department. However, for events which occur between January 1, 2012 and December 31, 2012 the fee assessed shall be 70% of the calculated fee.

SIZE OF EVENT	NUMBER OF MOS PERFORMING TRAFFIC CONTROL FUNCTIONS	TRAFFIC CONTROL COST*
EXTRA SMALL	0-99	up to \$100,000
SMALL	100-499	up to \$500,000
MEDIUM	500-999	up to \$1,000,000
LARGE	1000-1999	up to \$2,000,000
EXTRA LARGE	2000 or more	\$2,000,000 or more

* The fee amount shall be calculated based upon the salary, overtime and benefit costs of police department personnel at the rate in effect on the date the assessment is issued.

(i) Event plans will be developed and events staffed at the sole discretion of the Police Department, based upon the

projected attendance numbers, type of event, traffic/pedestrian volume, geographic location, along with other relevant public safety factors.

(ii) In no event will organizers be charged an additional post-event fee.

(iii) Upon written request made within 30 days after the event, organizers shall be provided with an accounting of the actual traffic control costs for the event. Such accounting will be provided within sixty days of the request.

(iv) Fees paid in excess of the actual traffic control costs shall be refunded.

(d) This fee does not apply to the following:

(i) City-sponsored events;

(ii) "Occasions of extraordinary public interest" as defined in §19-01(b) of this title;

(iii) Demonstrations, as defined in §19-02(d) of this title;

(iv) Charitable Athletic Parades; or

(v) Non-athletic Parades.

STATEMENT OF BASIS AND PURPOSE

The Police Department is charged with preserving the public

peace and preserving order at events which obstruct the free passage of public streets. This responsibility includes directing traffic, closing streets, and other traffic control functions to ensure the safety of the public and the participants in the event. To that end, the Department is authorized to promulgate rules and regulations governing permits for processions, parades, and races that occur on City streets. Parades require additional police presence for the performance of traffic control functions, and the resulting increase in overtime expenditures by the Department puts a strain on the NYPD's budget. Recoupment of traffic control costs associated with such events from the sponsors of the event is one way of ensuring that such events continue to be held without imposing an undue strain on NYPD and City resources. The Commissioner has determined to recover a fee only from organizations sponsoring athletic events when revenue is generated from fees charged to participants by the sponsoring organization.

Accordingly, in response to public comments received, the rule contains a fee schedule, based upon the number of NYPD personnel required to safely perform traffic control functions in order to clarify how the fee has been calculated and phases in implementation of the fee.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
