Join us for a special *CityTalk* panel in recognition of AAPI Heritage Month – **Leading Across Communities: Collaboration in City Government**. Inspired by the 2026 AAPI Heritage Month theme, *"Power in Unity: Strengthening Communities Together,"* this virtual discussion will bring together leaders from across NYC government to explore how partnership across agencies, communities, and lived experiences helps strengthen public service and better serve New Yorkers. Don't miss this engaging conversation on how collaboration, leadership, and shared purpose help strengthen communities across New York City.
