2025 NYC Summer Internship Program Application Form

Agency Details and Contact Information

Agency Office of Technology & Innovation

Division Cyber Command

Address 15 Metro Tech Center Brooklyn, NY 11201

Name Melissa Zelaya

Email internships@oti.nyc.gov

Agency Description

The Office of Technology and Innovation (OTI) leverages technology to drive opportunity, improve public safety, and help the government run better across New York City. From delivering affordable broadband to protecting against cybersecurity threats and building digital government services, OTI is at the forefront of how the City delivers for New Yorkers in the 21st century. Watch our welcome video to see our work in action, follow us on social media @NYCOfficeofTech, and visit oti.nyc.gov to learn more.

Unit Description

Cyber Command protects all City systems against cyber threats, including systems that deliver vital services to New Yorkers. Cyber Command provides in-depth support to over 100 agencies and offices to protect, detect, identify, respond to, and recover from cyber threats.

The Vulnerability Management team at Cyber Command is responsible for identifying and remediating vulnerabilities for 70+ city agencies. This is done using various technologies to perform active scanning and monitoring of these agencies. Furthermore, as part of the mission to enhance the City's cyber resilience, OTI Cyber Command has established a Vulnerability Management Program for IT developers and security researchers to identify vulnerabilities in City-owned websites and systems and responsibly disclose them.
