Agency Details and Contact Information

Agency Department of Social Services **Division** Enterprise Solutions Management
Address 375 Pearl Street, 21th Floor, New York, NY 10038
Name Stanislav Lyubarskiy **Email** lyubarskiys@dss.nyc.gov

The Department of Social Services enhances the quality of life for all New Yorkers by providing temporary help to eligible individuals and families with social service and economic needs to assist them in leading independent lives. These goals are accomplished by effectively administering a broad range of social welfare programs and services.

Agency Description

The Department of Social Services (DSS) is comprised of the administrative units of the NYC Human Resources Administration (HRA) and the Department of Homeless Services (DHS). Through integrated management for HRA and DHS, client services can be provided more seamlessly and effectively. The City leverages shared services functions across agencies, which results in better day-to-day management and building an integrated mission across agencies.

Unit Description

Enterprise Solutions Management (ESM) division serves as a cornerstone of the agency's technology, operations, and service-delivery ecosystem. Created to unify business processes, modernize legacy systems, and support critical benefit and homelessness programs across the Department of Social Services (DSS), ESM ensures that technology functions as a fully integrated enabler of equitable, efficient, and compliant public services. Its mandate is to deliver coordinated, scalable, and secure enterprise solutions that directly support the City's responsibility to assist low-income families, vulnerable adults, individuals experiencing homelessness, and others facing barriers to economic stability.
