On Saturday, April 25th, it will be [Car Free Earth Day](#). Join the New York City Department of Transportation (DOT) and the Department of Citywide Administrative Services (DCAS) in celebrating Earth Day!

Car-Free Earth Day will be from 10:00 a.m. to 4:00 p.m., transforming New York City streets into vibrant, car-free public spaces. This annual event opens over 30 blocks of Broadway—from Times Square to Union Square—as well as select streets across all five boroughs, inviting pedestrians and cyclists to safely enjoy the city without traffic. Designed to promote sustainability, community engagement, and healthier lifestyles, the day features a wide range of activities, including public art installations, fitness classes, live performances, and educational programming for all ages. See locations below.

#### The Bronx

- East 188th Street from Grand Concourse to Valentine Avenue

#### Brooklyn

- Fifth Avenue between 41st Street and 45th Street

#### Manhattan

- Broadway between 17th Street and 46th Street
- St. Nicholas Avenue between 181st Street and 185th Street
- Dyckman Street between Broadway and La Marina/Inwood Hill Park

#### Queens

- Woodside Avenue between 75th Street and 78th Street

#### Staten Island

- Port Richmond Avenue between Castleton Avenue and Bennett Street

Car-Free Day highlights how reducing car use, even temporarily, can improve air quality, decrease noise pollution, and strengthen neighborhood connections. We at DCAS are committed to making our streets safer and cleaner. Come see us at our booth in Herald Square and Sunset Park!

The [37th annual NYC Fleet Show](#), hosted by DCAS and NYC Parks, will be on May 21st, from 9 a.m. to 2 p.m., and is free and open to all. The show is at the Unisphere in Flushing Meadows Corona Park, Queens, and will feature over 200 vendors from throughout North America, focusing on electric and safe fleet options.

---

This show highlights vendors who support the New York City's Clean Fleet and Vision Zero initiatives, and daily operations. Vendors will offer a wide array of products to improve vehicle safety. The show will also highlight vehicles and equipment with alternative fuels and emissions-reducing technologies, along with the latest in light and heavy-duty vehicles, trucks, horticultural equipment, tools, fleet services, and more!
