

NYC Fleet Chargers General Public Access

This charger is part of NYC's Fleet program to support City government owned electric fleet vehicles. **DCAS is implementing an initial trial program to offer general public access to fleet chargers located in publicly accessible locations.**

Initial fees will be 30 cents per kWh during peak times (8:00 a.m. to 10:00 p.m., weekdays) and 25 cents per kWh during off-peak times (all other times) for a maximum charging time of sixty minutes for fast chargers and four hours for Level 2 charging at solar carports.

Participants must have a ChargePoint card.

After sixty minutes for fast chargers and four hours for solar carports, you must leave the charging station. You are subject to \$1 per minute storage charges if you do not leave as scheduled. You are also subject to removal by tow at your cost.

DCAS will be assessing this initiative and may change access or fees. For questions, please email NYCFleet@dcas.nyc.gov.
