At least 2 years but less than 3 years	18 points
At least 3 years but less than 4 years	24 points
4 years or more	30 Points

During the Education and Experience Exam (EEE), you may answer questions about your experience. If your experience was on a part-time basis working less than 35 hours per week, you will need to convert your part-time experience to full-time experience using the formula below. Once you have determined your full-time experience equivalent, use this amount to answer questions about your experience.

(number of hours worked per week/35) x (number of months worked)

For example, if you worked at a job for 21 hours per week for 12 months, you would make the following calculation: 21/35 x 12 = 7.2 months.

You can only claim a maximum of one year of experience credit for each year you worked. Each year of experience will be credited under only one category which will be the highest appropriate category.
