**THE TEST:**

Your score will be determined by an Education and Experience Exam. You will receive a score of 70 points for meeting the education and experience requirements listed above. After these requirements are met, you will receive additional credit up to a maximum of 100 points on the following basis:

<b>If you have satisfactory full-time experience conducting field inspections and/or investigations, and preparing reports of findings:</b>	<b>You will receive up to:</b>
At least 1 year but less than 2 years	10 points
At least 2 years but less than 3 years	20 points
3 or more years	30 points

During the Education and Experience Exam (EEE), you may answer questions about your experience. If your experience was on a part-time basis working less than 35 hours per week, you will need to convert your part-time experience to full-time experience using the formula below. Once you have determined your full-time experience equivalent, use this amount to answer questions about your experience

(number of hours worked per week/35) x (number of months worked)

For example, if you worked at a job for 21 hours per week for 12 months, you would make the following calculation: 21/35 x 12 = 7.2 months.

**Experience used to meet the minimum requirements cannot be used to gain additional credit.**
