**YOU ARE RESPONSIBLE FOR READING THIS ENTIRE NOTICE
BEFORE YOU SUBMIT YOUR APPLICATION.**

WHAT THE JOB INVOLVES:

Electricians (NYC Health + Hospitals), under direction, perform work on the installation, repair and maintenance of high or low tension electrical systems for light, heat, power and communications in or on buildings and structures. They install, repair, replace and maintain electric wiring systems and components, equipment and apparatus in or on buildings and structures in accordance with the New York City Electrical Code, pertinent plans, specifications and job orders; install, repair, replace, and maintain electric wiring and equipment and controllers; install conduits, raceways and electrical conductors; conduct tests on existing installations to determine faults and make necessary repairs; when assigned to a position requiring a Special Electrician License, obtain permits for electrical work to be performed; conduct and/or witness tests on electrical wiring systems, equipment and/or appliances; maintain and test backup generators on a regular basis; install, repair, replace and maintain electrical line isolation panels in operating rooms and critical care areas of a health care facility; prepare applications, reports, notices and other documents; prepare required sketches, drawings and layouts; keep job and other records; in the temporary absence of the supervisor, may perform the duties of that position; supervise assigned personnel; and may drive motor vehicles. All Electricians (NYC Health + Hospitals) perform related work.

Special Working Conditions:

Electricians (NYC Health+Hospitals) may be required to work various shifts including nights, Saturdays, Sundays, and holidays.

Some of the physical activities performed by Electricians (NYC Health + Hospitals) and environmental conditions experienced are: reading meters and instruments in dimly lit areas; climbing and descending ladders; working in areas of hot temperatures and poor ventilation; using both hands to work overhead; using hand held tools to prepare wires and conduit for installation; carrying tools and equipment up and down stairs; and distinguishing colors.

(This is a brief description of what you might do in this position and does not include all the duties of this position.)

THE SALARY:

The current minimum salary is \$68.71 per hour for a 35-hour work week. This rate is subject to change.

HOW TO QUALIFY:

You may be given the test before we verify your qualifications. It is your responsibility to ensure that you meet the education and experience requirements for the examination before submitting your application. If you are deemed "Not Qualified," your application fee will not be refunded, and you will not receive an Admission Notice or score.

As per Section 54(2) of the Civil Service Law, the education requirement needed to qualify must be met by March 24, 2027. The experience requirement needed to qualify must be met by the last day of the Application Period (March 24, 2026).

EDUCATION AND EXPERIENCE REQUIREMENTS:

1. Five (5) years of full-time satisfactory experience as an electrician; or
2. Three (3) years of full-time satisfactory experience as an electrician and sufficient full-time satisfactory experience as an electrician's helper or apprentice electrician or education in the

electrical or electronic discipline acquired in an approved trade, technical school or vocational high school or college or university to make up the equivalent of the remaining experience. Undergraduate college credit can be substituted for experience on the basis of thirty (30) semester credits, from an accredited college or university, for one (1) year of experience. Six (6) months of acceptable experience will be credited for each year of such helper or apprentice experience, or education in an approved trade or technical school or vocational high school in the electrical or electronic discipline. Less than a full year of helper or apprentice experience, or relevant education, will receive prorated credit.

The trade or technical school or vocational high school must be approved by a State's Department of Education or a recognized accrediting organization. The college or university must be accredited by regional, national, professional, or specialized agencies recognized as accrediting bodies by the U.S. Secretary of Education and by the Council for Higher Education Accreditation (CHEA).

If you were educated outside the United States, you must have your foreign education evaluated to determine its equivalence to education obtained in the United States. This is required only if you need credit for your foreign education in this examination. For more information see the Foreign Education Evaluation Guide in the Required Information section.

During the Education and Experience Exam (EEE), you will get instructions on converting part-time experience to the full-time equivalent.

You must Final Submit your Education and Experience Exam in OASys by midnight Eastern time on the last day of the Application Period, and once you Final Submit, no changes can be made.

Failure to click Final Submit by the deadline will result in an incomplete application, and you will not receive a score or a refund of the application fee.

Medical Requirement: In accordance with applicable Federal, state and local laws and regulations, NYC Health + Hospitals has established medical standards for this position. Accordingly, all eligibles will be required to undergo and pass a medical examination prior to the date of appointment to ensure that those medical standards have been met.

Residency: City residency is not required for this position.

English Requirement:

You must be able to understand and be understood in English.

Proof of Identity:

Under the Immigration Reform and Control Act of 1986, you must be able to prove your identity and your right to obtain employment in the United States prior to employment with NYC Health + Hospitals.

HOW TO APPLY:

Apply through the Online Application System (OASys) at www.nyc.gov/examsforjobs. Follow the onscreen application instructions to submit your application and payment. A valid email address is required. Free email accounts are available from Google, Yahoo!, AOL, Outlook.com, or Mail.com.

New OASys accounts must be verified to confirm your email address is valid and that you have access to the email account. You will receive a confirmation email from OASys to confirm your account upon registering for your OASys account. If any issues arise, contact DCAS at nyc.gov/CivilServiceNowNYC and select the applicable subject. If you do not receive the confirmation email, check your spam or junk mail folder before contacting DCAS.

You can pay with major credit cards, bank cards, or prepaid debit cards with a credit card logo. Veterans and individuals receiving certain public assistance may qualify for a fee waiver. For more information on eligibility and required documentation, visit the Fee Waiver FAQs on OASys at <https://a856-exams.nyc.gov/OASysWeb/faqs>.

Civil Service Guidance for Veterans:

There are a range of benefits available to eligible veterans in their civil service careers. Specifically, veterans and disabled veterans may be eligible for application fee waivers, preference credits, make-up exams, retroactive seniority, and age deduction where the exam has maximum age requirements. Review the Civil Service Guidance for Veterans at:

<https://www.nyc.gov/assets/dcas/downloads/pdf/employment/faqs-for-veterans.pdf>

PENALTY FOR MISREPRESENTATION:

Any intentional misrepresentation on the application or examination may result in disqualification, even after appointment, and may result in criminal prosecution.

REQUIRED INFORMATION:

1. **Application for Examination:** Follow the online instructions, including those relating to the payment of fee and, if applicable, those found in the Special Circumstances Guide.
2. **Education and Experience Exam:** Complete the exam by following the on-screen instructions. You must provide detailed information about your licenses, education, and experience and finalize your submission in the Online Application System (OASys) by midnight Eastern time on the last day of the application period.

Once you click on Final Submit, no further changes can be made. Failure to submit by the deadline will result in an incomplete application, and you will not receive a score or a refund of the application fee.

3. **If applicable, ensure your foreign education evaluation is submitted directly to DCAS by an approved evaluation service within eight weeks after the application deadline.** Approved evaluation services are listed in the Foreign Education Evaluation Guide which is located on the DCAS website at <https://www.nyc.gov/assets/dcas/downloads/pdf/employment/nyc-dcas-foreign-education-evaluation-guide.pdf>. Request a "document-by-document" (general) evaluation.

THE TEST:

The multiple-choice test for the **Electrician (NYC Health + Hospitals)** position will be conducted at a computer terminal, and your score will determine your ranking on the eligible list. To pass, you must achieve a minimum score of 70%. The test assesses knowledges and abilities important for the role.

Topics covered include: Safety; Interpretation and Revision of Drawings; Repair, Installation, and Maintenance; Supervising, Administrative Duties, and Miscellaneous.

The multiple-choice test may include questions on A.C circuits and machinery; applicable NYC codes/amendments; building and construction; control systems; D.C circuits and machinery; electrical technology; electrical drawings, schematics, blueprints, diagrams, and specifications; generators and transfer switches; grounding and bonding; machine and power tools; methods and procedures for the installation, alteration, maintenance, and repair of electrical wiring and equipment; proper use and selection tools, fittings, materials, measuring instruments, and meters used in the Electrician's trade; public safety and security; safe working practices and procedures; single-phase electricity; system grounding; three-phase electricity; standards of proper employee ethical conduct; and other related areas.

The multiple-choice test may also include questions requiring the use of any of the following abilities:

Analytical Thinking: Analyzing information and using logic to address specific work-related issues and problems; involves the identification of problems, not implementation of solutions. Example: An Electrician (NYC Health + Hospitals) troubleshoots electrical issues by understanding what happened and coming up with a solution.

Attention to Detail: Being careful about detail and thorough in completing work tasks. Example: An Electrician (NYC Health + Hospitals) is careful when running and installing conduits and cables.

Deductive Reasoning: Applying general rules to specific problems to come up with logical answers. It involves deciding if an answer makes sense. Example: An Electrician (NYC Health + Hospitals) troubleshoots electrical issues when working with customers or clients.

Inductive Reasoning: Combining separate pieces of information, or specific answers to problems, to form general rules or conclusions. It involves the ability to think of possible reasons for why things go together. Example: An Electrician (NYC Health + Hospitals) deals with several electrical issues and formulates a pattern as to where the problem originated.

Judgment & Decision-Making: Reviewing information to develop and evaluate the relative costs and benefits of potential solutions to problems and choosing the most appropriate one; implementing a course of action determined by thinking analytically. Example: An Electrician (NYC Health + Hospitals) is given a job assignment involves gathering material and needs to determine how much material to use as to not be wasteful.

Mathematical Reasoning: Understanding & organizing a problem and then selecting a mathematical method or formula to solve the problem. It encompasses reasoning through mathematical problems to determine appropriate operations that can be performed to solve problems. Example: An Electrician (NYC Health + Hospitals) determines the length of wire needed to complete a job.

Number Facility: Involves the degree to which adding, subtracting, multiplying, and dividing can be done quickly and correctly. Example: An Electrician (NYC Health + Hospitals) needs to make simple measurements of the material they are using.

Planning & Organizing: Establishing a method of execution to accomplish a specific goal over an extended period of time; determining appropriate assignments and allocation of resources. Example: An Electrician (NYC Health + Hospitals) has to organize tools and materials at a construction site.

Spatial Orientation: Telling where you are in relation to the location of some objects or to tell where the object is in relation to you. Example: When an Electrician (NYC Health + Hospitals) is working in an office area, he makes a determination as to whether it is safe for individuals to be working at their desk at the moment.

Visualization: Imagining how something would look when it is moved around or when its parts are moved or rearranged. It requires the forming of mental images of how patterns or objects would look after certain changes, such as unfolding or rotation. One has to predict how an object, set of objects, or pattern will appear after changes have been carried out. Example: When an Electrician (NYC Health + Hospitals) is installing equipment, they need to determine how much space it will occupy.

Written Expression: Using English words or sentences in writing so that others will understand. Example: An Electrician (NYC Health + Hospitals) writes reports.

Certain questions may need to be answered on the basis of documents or other information supplied to the candidates on the date of the multiple-choice exam.

EXAM SITE ADMISSION:

Your Admission Notice will be available on your Dashboard in OASys 14 days before the first date on which testing is expected to begin. Test site assignments will take your address into consideration, but nearness to your address cannot be guaranteed.

Warning: The use of electronic devices at the test site is strictly prohibited. This includes phones, smart watches, cameras, e-cigarettes, vape pens, and other portable media or electronic devices. Any of these items brought to the test site will be placed in a Yondr pouch and sealed until after the exam event (Examination, Protest Review Session, TVB session). Headphones and earbuds are also not allowed. Only basic hand-held calculators for addition, subtraction, multiplication, and division are permitted; calculators with additional features are banned and will be sealed in a Yondr pouch if brought to the site. If you use any prohibited devices or remove them from your Yondr pouch without authorization-whether in the testing area, restroom, hallway, or any other location-you will have your test score nullified, be barred from taking civil service tests for up to five years and forfeit your application fee.

If you have a medical assistive device that sends alerts or vibrates, you must obtain written authorization from DCAS to use it during the test. To request authorization, contact DCAS at testingaccommodations@dcas.nyc.gov.

Furthermore, you cannot bring anyone with you while being processed or taking the test, and no one is allowed to wait for you inside the Computer-based Testing & Application Center during the exam.

Required Identification: To enter the test site, you must bring one valid (non-expired) ID that includes both your signature and photo. The name on your ID must match the first and last name used in your exam application. If you fail to provide an acceptable form of identification, you may be denied entry to the test. Acceptable forms of identification (bring one) are as follows: State issued driver's license, City or State issued identification card, IDNYC, US Government issued Passport, US Government issued Military Identification Card, US Government issued Alien Registration Card, Employer ID with photo, or Student ID with photo.

Leaving: After completing your test, you must leave the test site immediately. If you exit the site after being fingerprinted but before finishing the test, you will not be allowed to re-enter. Ignoring this instruction and attempting to re-enter could result in not receiving your test results, nullification of your test score, and forfeiture of your application fee.

CHANGE OF MAILING ADDRESS, EMAIL ADDRESS, AND/OR TELEPHONE NUMBER:

It is essential to promptly notify DCAS of any changes to your mailing address, email address, or phone number. Without your correct contact information, you may miss important updates regarding your exam(s), appointment considerations, or critical information that requires a timely response. To update your contact information, follow these steps:

- City Employees - update your information in NYCAPS Employee Self-Service (ESS) at www.nyc.gov/ess
- All Others - Log into your OASys account at www.nyc.gov/examsforjobs, navigate to your Dashboard, and update your Profile page.

CHANGE OF NAME AND/OR SOCIAL SECURITY NUMBER:

To change your name and/or social security number with DCAS, use the Data Correction Form and follow all instructions provided. You can access the DCAS Data Correction Form at the following link: <https://www1.nyc.gov/assets/dcas/downloads/pdf/employment/dp148a.pdf>.

THE TEST RESULTS:

If you meet the education and experience requirements and pass the multiple-choice test, your name will be placed on a NYC Health + Hospitals eligible list in final score order. You will receive a list number and be notified of your test results via email. This eligible list determines the order of candidates considered for appointment. If you meet all requirements and conditions, you will be considered for appointment if your name is reached on the eligible list, and you will receive a Notice of Interview by email.

If you believe your test was rated incorrectly, you can appeal your score to DCAS, Committee on Manifest Errors, using the Online Application System (OASys). Your appeal must clearly state the reasons for requesting a higher score and may result in a different rating.

SPECIAL ARRANGEMENTS:

Make-up Test:

You may apply for a make-up test if you cannot take the test on the regular test date(s) for any of the following reasons:

1. being ordered to military duty; or
2. compulsory attendance before a court or other public body or official having the power to compel attendance; or
3. on-the-job injury or illness caused by municipal employment where you are an officer or employee of the City or NYC Health + Hospitals; or
4. absence from the test within one week after the death of a spouse, domestic partner, parent, parent-in-law, sibling, child or child of a domestic partner where you are an officer or employee of the City or NYC Health + Hospitals; or
5. a clear error for which the Department of Citywide Administrative Services or the examining agency is responsible; or
6. a temporary disability; or
7. pregnancy, childbirth or a related medical condition.

To request a make-up test, contact Administration, Customer, and Exam Support (ACES) by email at testingaccommodations@dcas.nyc.gov, as soon as possible, and include documentation of the special circumstances that caused you to miss your test.

ADDITIONAL INFORMATION:

Selective Certification for License or Special Experience:

If you have a license or special experience listed in one or more areas below, you may be considered for appointment to positions requiring this license or special experience through a process called Selective Certification. If you qualify for Selective Certification, you may be given preferred consideration for positions requiring this license or special experience. Follow the instructions given to you on the day of the multiple-choice test to indicate your interest in such Selective Certification. Your license or special experience will be checked by NYC Health + Hospitals at the time of appointment. If you are appointed through Selective Certification based on possessing a license, this license must be maintained for the duration of your employment.

1. **Selective Certification for Positions Requiring a Driver License (MVO):** A motor vehicle Driver License that is valid in the State of New York.
2. **Selective Certification for New York City Special Electrician License (SEL):** A valid New York City Special Electrician License. Note: A valid New York City Master Electrician License is acceptable if you will convert the license to a Special Electrician License upon appointment.
3. **Selective Certification for Hospital or Long Term Care Facility Experience (LTF):** At least two (2) years of full-time satisfactory experience as an Electrician working in a hospital or long-term care facility.

The above Selective Certification requirements may be met at anytime during the duration of the list. If you meet this requirement at some future date, please submit a request by contacting DCAS via the following link: nyc.gov/CivilServiceNowNYC using the "Selective Certification" subject. Please include the examination title and number, your full name, OASys Profile ID number, and the selective certification(s) you are requesting in your submission.

Reemployment Of Public Service Retirees:

NYC Health + Hospitals has promulgated rules regarding the reemployment of persons who have already retired from public service. Any such retired person is advised to consult with NYC Health + Hospitals, Office of Civil Service and Background Administration at (212) 788-3568 to determine whether they would be eligible for appointment from an eligible list established for this examination.

List Termination:

The eligible list resulting from this examination will be terminated one year from the date it is established, unless extended by NYC Health + Hospitals.

Promotion Test: A promotion examination for this title is being held for eligible employees. The names appearing on the promotion list will be considered first in filling vacancies.

This examination is for positions with NYC Health + Hospitals and not for City agencies or the City University of New York (CUNY). If you would like to apply for Electrician with City agencies, you must submit a separate application and fee for Exam No. 6048 from March 4, 2026 through March 24, 2026. If you would like to apply for Electrician with CUNY, you must submit a separate application and fee for Exam No. 6049 from March 4, 2026 through March 24, 2026.

The General Examination Regulations of the Department of Citywide Administrative Services (DCAS) apply to this examination and are part of this Notice of Examination. They are posted at nyc.gov/dcas and copies are available at the DCAS Computer-based Testing & Application Centers.
