At least 20 months but less than 25 months	13 points
At least 25 months but less than 30 months	17.5 points
At least 30 months but less than 36 months	23 points
36 months or more	30 points
<b>If you have satisfactory full-time experience as a licensed New York State Occupational Therapist in a setting <u>other than a school</u> for:</b>	<b>You will receive up to:</b>

You can claim a maximum of one year of experience credit for each year you worked. Each year of experience will be credited under only one category which will be the highest appropriate category.
