During the Education and Experience Exam (EEE), you may answer questions about your experience. If your experience was on a part-time basis working less than 35 hours per week, you will need to convert your part-time experience to full-time experience using the formula below. Once you have determined your full-time experience equivalent, use this amount to answer questions about your experience.

(number of hours worked per week/35) x (number of months worked)

For example, if you worked at a job for 21 hours per week for 12 months, you would make the following calculations: 21/35 x 12 = 7.2 months

You can only claim a maximum of one year of experience credit for each year you worked.

Each year of experience will be credited under only one category which will be the highest appropriate category.

You have until midnight Eastern time on the last day of the Application Period (August 26, 2025) to clearly specify in detail all of your relevant experience and Final Submit your Education and Experience Exam in the Online Application System (OASys).
