250 Broadway, New York, NY 10007

To Whom It May Concern:

Enclosed you will find the NYC Department of Cultural Affairs' (DCLA) submission in response to Local Law 15 of 2024, for Fiscal Year 2024.

The following data and responses are being submitted in compliance with Local Law 15:

- The total amount of funds used for staff and operating costs of the department during the prior fiscal year: DCLA's FY24 Agency PS/OTPS budget was \$7.36 million.
- Regarding a summary description of any trends or significant changes to funding provided by the department to arts and cultural organizations and institutions: amid fiscal challenges facing the city, DCLA's FY24 funding represents continued significant investment in NYC's cultural community, and a recognition of the incredible value that arts and cultural activity brings to New York's diverse neighborhoods. The agency's total FY24 budget of \$220 million represented a slight decrease from the FY23 total (\$248.9M), in light of PEGs that were required of all agencies to address the city's economic challenges. Building on an ongoing effort to foster greater equity and fairness in the CDF process, FY24 marked the first year that more than half of recipients – 646 organizations – received a renewal grant as part of a multi-year commitment. Previously, only larger organizations were eligible for multi-year grants, which guarantees a base level of support for groups in a renewal cycle and offers them greater stability. In all, the vast majority (76%) of eligible applicant groups received a CDF award, maintaining DCLA's commitment to supporting as many organizations across the five boroughs as possible.
- Regarding any challenges to obtaining data needed to produce the report required by this subdivision, DCLA does not collect all data requested in this legislation.
- The remaining pages of this report include the data requested by the legislation pertaining to the Cultural Development Fund, Cultural Institutions Group, and Capital funding allocated to cultural organizations through DCLA.

Should you have any questions about the data contained in this report, please email [publicaffairs@culture.nyc.gov](mailto:publicaffairs@culture.nyc.gov).
