Date		Location of Materials Full Address	

Description of Materials (hereinafter referred to as the “Materials” or “Property”):

Quantity	Item	Line Value \$

Attach additional sheets as necessary.)

In consideration of the sum of [fill in \$] the above-mentioned Contractor (the ‘Contractor”) paid, and delivered the above-mentioned materials to the City for the above-mentioned Project.

In exchange for the sum of [fill in \$], paid by the above-mentioned Contractor in full at or before the delivery of the above-specified materials, the receipt of which is confirmed, and the title of the above-mentioned Materials is conveyed to the City of New York, Department of Design and Construction, and its heirs, executors, administrators, successors, and assigns.

The Contractor guarantees and promises to protect the sale of the Property heirs, executors, administrators, successors, and assigns against any claims from others.

The [contractor] confirms they are the sole owner of the Property listed in the bill of sale and have the full legal right to sell and transfer the same. The Property is free and clear of any liens, mortgages, debts, or other encumbrances of whatsoever kind or nature. No exceptions.

The [contractor] is not indebted to anyone and has no creditors. There are no existing judgments against the [contractor] in any court, nor are there any replevins, attachments, or executions currently in force against the [contractor]. Additionally, no bankruptcy or arrangement proceedings have been filed by or against the [contractor], and the [contractor] has not taken advantage of any law related to insolvency.

This Bill of Sale and Transfer of Title is made with the intent for the City of New York, Department of Design and Construction to purchase the Property described in the Description of Materials table and the Request for Permission to Store Materials, knowing that will rely on this document and provide good and valuable consideration.

The [contractor] certifies that they are the sole owner of all goods and chattels listed in the Description of Materials table and the Request for Permission to Store Materials, which form part of this bill of sale.

There are no mortgages, liens, conditional sales agreements, or other encumbrances of any kind affecting the goods and chattels listed in the Description of Materials table and the Request for Permission to Store Materials. The Property are absolutely free and clear of any such claims. No exceptions.

The corporation confirms it is not indebted to any one and has no creditors. No exception.

There are no actions pending against the corporation in any court. Additionally, there are no replevins, judgments, or executions outstanding against the corporation currently in force. No bankruptcy or arrangement proceedings have been filed by or against the corporation, and the corporation has not taken advantage of any laws relating to insolvency.

This Bill of Sale and Transfer of Title is made with the intent for the City of New York, Department of Design and Construction to purchase the Property described in the Description of Materials table and the Request for Permission to Store Materials, knowing that will rely on this document and provide good and valuable consideration.
