Re: Useful Life Period Statement

Dear [insert name of Agency Project Manager],

We agree to use and operate all of the items funded by the City of New York (the "City") listed in the project budget attached hereto as Exhibit A<sup>2</sup> for at least [insert the # of years]<sup>3</sup>, in accordance with the City Purpose Covenant as defined in the funding agreement with the City ("City Funding Agreement").

In addition, I, [redacted], [insert Name and title of Organization staff person]<sup>4</sup>, represent that:

- 1) The estimated useful life of [insert name of item A]<sup>5</sup> in Exhibit A hereto is [10-15]<sup>6</sup> years and [insert name of item B]<sup>7</sup> in Exhibit A hereto is [20-25]<sup>8</sup> years.
  - a) In order to arrive at this estimate, I spoke to the manufacturer who told me on [date] that the [insert name of item A] had that useful life range, and I spoke to manufacturers of similar models of that item whose estimates also fell into that range.
  - b) In order to arrive at this estimate for the [insert name of item B], I based it on the fact that we have purchased [ten] of these items in the past and on average, they lasted [20-25]<sup>9</sup> years.
- 2) I have the expertise to make this representation since have been directly involved in the use and operation of the equipment on nearly a daily basis for [insert number]<sup>10</sup> years.

Finally, although we understand that the Performance Term as defined in the City Funding Agreement is [insert # of years of Performance Term], we anticipate that we will actually be using the items in Exhibit A hereto for at least [insert number of years, which must be as least as long as the Performance Term.]

Sincerely,
