PROJECTED COMPLETION SCHEDULE

FINAL RESTORATION - COMPLETED

LEGEND

-  FINAL RESTORATION AND PAVING COMPLETED
-  PAVING WORK (SUMMER 2024)

Completed Work:

1. All Sanitary Sewers completed
2. All Storm Sewers completed
3. Outfall and Tide Gate Work completed with exception of Planting & Restoration Work
4. All catch basins are installed and connected with storm sewers
5. Since all sewer work and catch basin works completed, flooding related issues should be alleviated

Remaining Work:

1. Sidewalks and Curb concrete work
2. Traffic & Street Light Work on CP Blvd
3. Paving Work
4. Planting & Restoration Work @ outfall
5. Planting Trees (about 40 to 70 trees)

COMMUNITY OUTREACH

COMMUNITY OUTREACH INVOLVEMENT:

- Project CCL Contact Info:

Michelle Perez

Cell # 917-284-5283

Email: collegeptblvdccl@gmail.com

- Sidewalk & Restoration Work

Please inform Project CCL of any sidewalk damage due to contractor's work on your block when contractor is working to fix the sidewalks on that block.

COMMUNITY OUTREACH INVOLVEMENT:

- Residents parking within work zone continue to be challenging as contractor performs work.

THANK YOU
