

112th AVENUE IMPROVEMENTS, QUEENS
DDC CAPITAL PROJECT ID: HWQ1196 / SEQ-SACBA

The City of New York, through the Department of Design and Construction (DDC), intends to acquire specific street areas, shown on the accompanying map below, to support the reconstruction of roadways, sidewalks, curbs, sewers, and water mains. The proposed acquisitions are limited to properties located within the existing street right-of-way (ROW).

DDC will provide an overview of the project, including its location, purpose, scope, anticipated construction impacts, and the process for acquiring the necessary street areas. Following the presentation, DDC representatives will be available to answer general questions and address community concerns related to the project and the City's use of eminent domain for acquiring street ROW.

DATE: Thursday, 1/8/26

LOCATION: DDC Field Office, 3rd Floor, Suite 319 @ 1 Cross Island Plaza, Rosedale, NY 11422

TIME: 5:00 PM

To access to the virtual meeting, register, or learn more about the project, please visit our website at:

NYC DDC WEBSITE AND MICROSOFT TEAMS:

1. Please go to the URL address <https://www.nyc.gov/site/ddc/projects/ProjectAcquisitionEvents.page> to enter the DDC website. See example website view below.

Project Acquisition Events

The City of New York, acting by and through the Department of Design and Construction (DDC), hosts informational presentations to inform the public about proposed land acquisition, review the plan for public use, and discuss the impact it will have on residents and the environment. DDC encourages the public to attend these events so that we can answer any questions or concerns.

Registration Prior to the Event

Please register at the link below with your full name, e-mail address, home address, telephone number and any questions/comments you may have.
