

**ACQUISITION FOR ROADWAY IMPROVEMENTS IN AMBOY ROAD
 DDC CAPITAL PROJECT ID: HWR005-08**

The City of New York through its Department of Design and Construction (DDC), proposed to acquire the mapped right-of-way highlighted below to realign the street at the street intersection of Amboy Road and Richmond Avenue, Staten Island.

The property to be acquired is shown below on the proposed Damage and Acquisition Map. No. 4272.

At the public hearing, DDC will outline the purpose, proposed location and other information about the project. There will be an opportunity to provide comments on the record and for a limited period after the public hearing.

Upon the conclusion of the public hearing, DDC will be available to answer questions as to how the properties to be acquired are impacted.

Disclaimer: This flyer and the title sheet of the proposed map is for informational purposes only. The property acquisition details are noted on the public hearing notice, and the latest map is provided at the website link below.
