(S) PAYMENT REQUISITIONS

Each payment requisition following the initial mobilization payment requisition must be consistent with the previous requisitions and payments, as certified by the Engineer. Each partial payment requisition must comply with the requirements of Article 42 of the Standard Construction Contract.

The Contractor must submit the payment requisition to the Engineer by the end of the month following the payment period ("Due Date"). The period covered by each payment requisition is one month, ending on the last day of the month, unless a longer payment period is approved by the Engineer. The Contractor must submit a draft copy of the payment requisition seven days prior to the Due Date for review by the Engineer.
