BOYD CORNERS

Dam and Spillway area:

Located on the southeastern end of the reservoir, boaters must stay back 500 feet from the dam and spillway. The restricted area extends from shoreline to shoreline.

General Restrictions:

- *Please stay back 500' from all buildings and water supply structures*
- *No floating booms or structure shall be crossed, and if present, shall serve as a marker for restricted areas.*
- *No trespassing on islands*
