Dear Mr. Hampston:

On June 29, 2018 the New York City Department of Environmental Protection (DEP) submitted the Jamaica Bay and Tributaries Long Term Control Plan (LTCP) to the New York State Department of Environmental Conservation's (DEC). DEP received DEC's review comments on the LTCP on December 21, 2018. DEP's responses to DEC's comments are included as an attachment to this letter. Some of the comments require additional evaluation and technical analysis. To respond to such comments, DEP will provide the requested information in an LTCP Supplemental Documentation. Due to the time required for such additional evaluations, DEP proposes to submit the LTCP Supplemental Documentation to DEC by June 30, 2019.

Please feel free to contact me at (718) 595-5972 or kmahoney@dep.nyc.gov should you have any questions regarding this submittal.

Sincerely,

A handwritten signature in black ink that reads 'Keith Mahoney'.

Keith Mahoney, P.E.
