Public Design Commission

Extension Request

June 20, 2023

Extension Request

- NYCDOT is seeking an Extension of approval granted pursuant to Certificate #28096 under the same terms and conditions as said approval (11 month duration, with a requirement to return in six months with an update).
- NYCDOT will return to the Commission with a formal proposal for a permanent resolution prior to the term of the requested extension as soon as is practicable given on-going discussions with stakeholders and factors outside the agencies control.
