RESOLVED That the Design Commission, having considered designs for the construction of a gaming facility, resort, retail, and events complex (Integrated Resort), as part of the master plan for the Metropolitan Park (Queens Future), north of Roosevelt Avenue, between Grand Central Parkway and Seaver Way, south of the World's Fair Marina, and adjacent to Citi Field, Flushing Meadows Corona Park, Corona, Queens, submitted by the Economic Development Corporation and the Department of Parks & Recreation, represented by exhibits 7786-BT, BU, BV, BW, BX & BY of record in this matter, hereby unanimously tables the same preliminary proposal without prejudice to a resubmission, with the understanding that the team (1) provide a summary of the potential impacts to, and mitigation strategies for, the City's stormwater conveyance and treatment systems. In addition, the resubmitted proposal shall address Commissioners' requests to revise (2) the East Colonnade Facade, with (a) increased vision glass and (b) the use of bird safe glass throughout; (3) the East Colonnade Promenade, with (a) circulation widened more than the 10' W provision, (b) the mezzanine designed to indicate free access, and (c) the food & beverage kiosk be incorporated within the building line; and (4) the Central Staircase, with (a) the niches in between the inner and outer staircases addressed, and (b) the security gates fastened at 180 degrees. Commissioner Castilla recused herself.

CERTIFICATE

30587

RESOLVED That the Design Commission, having considered a proposal for the installation of *A Village Grows* by Fitgi Saint-Louis, Roy Wilkins Recreation Center, Roy Wilkins Park, Merrick Boulevard between 118th Road and 119th Avenue, Jamaica, Queens, submitted by the Department of Cultural Affairs' Percent for Art Program, the Department of Design and Construction, and the Department of Parks & Recreation, represented by exhibits 3975-BZ, CA, CB & CC of record in this matter, hereby gives to the same unanimous conceptual approval with the understanding that the artist will continue to develop the artwork within the gymnasium and explore (1) expanding beyond the thematic framework of the four seasons; (2) reconsidering the gymnasium pieces to prioritize further development of the other interior artworks, given budget constraints; and (3) whether the artworks should respond to movement, given the location along the walking path. The Commission commends the design.

Conceptual approval is conditioned upon submission of this project for preliminary review and approval before October 20, 2028.
