

August 10, 2009

CERTIFICATE 23402

RESOLVED That the Design Commission, having considered designs for the reconstruction of Aqueduct Walk, Aqueduct Avenue between West Kingsbridge Road and Burnside Avenue, Bronx, submitted by the Department of Parks & Recreation, represented by exhibits 1476-W, X & Z of record in this matter, hereby gives to the same unanimous preliminary approval with the understanding that the cascading shrubs will be eliminated from the aqueduct embankment between West 190th Street and North Street, so the stone facing is not obscured.

Preliminary approval is conditioned upon submission of this project for final review and approval before August 10, 2011.

A true copy of resolution adopted by
the Design Commission at its meeting
on August 10, 2009.

Jackie Snyder
Executive Director

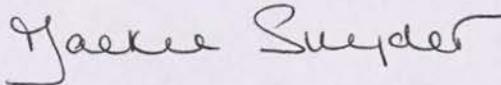

August 10, 2009

CERTIFICATE 23525

RESOLVED That the Design Commission, having considered designs for the rehabilitation of Valentino's on the Green, including the construction of an addition and adjacent site work, Clearview Park, 201-10 Cross Island Expressway, Queens, submitted by the Department of Parks & Recreation, represented by exhibits 1920-BH, BI, BL & BM of record in this matter, hereby gives to the same unanimous preliminary approval to the scheme in which the valet space is incorporated into the addition that is flush with the west façade of the existing building with the understanding that the Parks Department will pursue stone, rather than recycled plastic lumber, for the planter walls in the parking lot.

Preliminary approval is conditioned upon submission of this project for final review and approval before August 10, 2011.

A true copy of resolution adopted by
the Design Commission at its meeting
on August 10, 2009.

Jackie Snyder
Executive Director

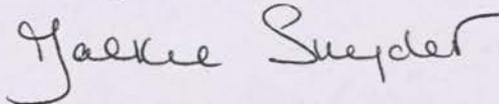

August 10, 2009

CERTIFICATE 23527

RESOLVED That the Design Commission, having considered designs for the installation of signage as a part of the construction of Hunts Point Landing waterfront park, South Bronx Greenway, Farragut Street and the Bronx River off of Food Center Drive, Hunts Point, Bronx, submitted by the Economic Development Corporation, represented by exhibits 3394-DQ, DR & DY of record in this matter, hereby gives to the same unanimous preliminary approval with the understanding that the flat metal pickets twisted 90 degrees will be used for the cattails in the perimeter fence (rather than the metal tubes). Commissioner Nielsen recused herself.

Preliminary approval is conditioned upon submission of this project for final review and approval before August 10, 2011.

A true copy of resolution adopted by
the Design Commission at its meeting
on August 10, 2009.

Jackie Snyder
Executive Director

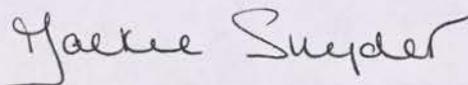

August 10, 2009

CERTIFICATE 23591

RESOLVED That the Design Commission, having considered designs for the construction of a marina, including a two-story retail building, Beach 80th Street between Beach Channel Drive and Barbados Basin, Queens, submitted by the Economic Development Corporation, represented by exhibits 6880-I, J, L & N of record in this matter, hereby gives to the same unanimous preliminary approval with the understanding that (1) the holes in the fins are optional, but recommended; (2) fiber cement will be used for the central door on the second floor, instead of glass; (3) both the north and south edges of the roof on the northern volume will be sharpened; (4) the railing design will be clarified; and (5) drawings that reflect these changes will be submitted for committee review prior to developing final drawings.

Preliminary approval is conditioned upon submission of this project for final review and approval before August 10, 2011.

A true copy of resolution adopted by
the Design Commission at its meeting
on August 10, 2009.

Jackie Snyder
Executive Director

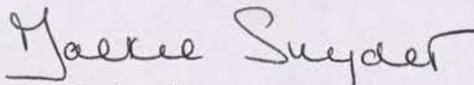

August 10, 2009

CERTIFICATE 23592

RESOLVED That the Design Commission, having considered designs for the construction of three carriage houses, Staten Island Historical Society, 145 Arthur Kill Avenue, Staten Island, submitted by the Department of Design and Construction and the Department of Cultural Affairs, represented by exhibits 3050-U, V, Z & AA of record in this matter, hereby gives to the same unanimous preliminary approval with the understanding that the less reflective finish (galvanized) will be used on the metal sheds.

Preliminary approval is conditioned upon submission of this project for final review and approval before August 10, 2011.

A true copy of resolution adopted by
the Design Commission at its meeting
on August 10, 2009.

Jackie Snyder
Executive Director

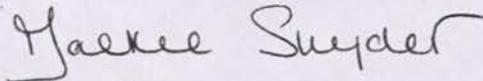

August 10, 2009

CERTIFICATE 23629

RESOLVED That the Design Commission, having considered designs for the reconstruction of the Allen Street Malls and Pike Street Malls, Phase II, Allen Street between Delancey Street and Hester Street, and Pike Street between Henry Street and South Street, Manhattan, submitted by the Department of Parks & Recreation and the Department of Transportation, represented by exhibits 2177-U, V & W of record in this matter, hereby gives to the same unanimous preliminary approval with the understanding that (1) the historic lighting will be restudied, and more contemporary poles, including the Davit and the City Lights Competition pole, will be considered; (2) an alternative to the grey pre-cast concrete pavers will be submitted, possibly one of the pavers used on the East River Esplanade to which this project connects; and (3) a graphic design firm is being brought on board by the end of the month to develop a comprehensive plaque program that will be submitted in fall 2009.

Preliminary approval is conditioned upon submission of this project for final review and approval before August 10, 2011.

CERTIFICATE 23630

RESOLVED That the Design Commission, having considered designs for the restoration of Paerdegat Basin, including the construction of an ecological park, Ralph Avenue, Flatlands Avenue, Paerdegat Avenue North, Bergen Avenue and the Jamaica Bay, Brooklyn, submitted by the Department of Environmental Protection and the Department of Parks & Recreation, represented by exhibits 5851-U, V, W & X of record in this matter, hereby gives to the same unanimous preliminary and final approval with the understanding that both the fence and bench will be restudied, so that they are organic and more in keeping with the project's natural aesthetic. The Commission commends the concept of creating plant communities and the corresponding plant lists.

Final approval is conditioned upon commencement of work before August 10, 2011 and submission of a minimum of three (3) 8" x 10" color archival-quality photographs of the completed project.

CERTIFICATE 23631

RESOLVED That the Design Commission, having considered designs for the installation of a distinctive sidewalk, Apollo Theater, 253 West 125th Street, Manhattan, submitted by the Department of Transportation, represented by exhibits 6482-AK, AL, AM, AN & AO of record in this matter, hereby gives to the same unanimous preliminary and final approval with the request that the carpet treatment be expanded to the south. The Commission notes its support of the expansion of this project to the east and west as well as the elimination of the existing brick border on 125th Street.

Final approval is conditioned upon commencement of work before August 10, 2011 and submission of a minimum of three (3) 8" x 10" color archival-quality photographs of the completed project.
