Executive Director

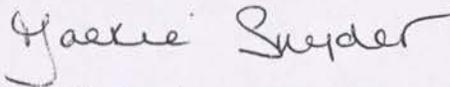

October 26, 2009

CERTIFICATE 23700

RESOLVED That the Design Commission, having considered designs for the installation of 11 benches, Chelsea Improvement District, 14th Street to 17th Street between Eighth Avenue and 11th Avenue, Manhattan, submitted by the Department of Transportation, represented by exhibits 3091-G, H & I of record in this matter, hereby gives to the same unanimous preliminary approval with the understanding that the designer will restudy the arm to address its (1) thinness (3/8"), which presents safety concerns; and (2) awkward alignment with the base, which also creates space that could potentially collect garbage. The Commission notes that, if other BIDs are considering proposing benches, they should work with this design, rather than developing new ones.

Preliminary approval is conditioned upon submission of this project for final review and approval before October 26, 2011.

RESOLVED That the Design Commission, having considered designs for the reconstruction of Dred Scott community garden, Grant Park, Grant Avenue between Sheridan Avenue and Morris Avenue, Bronx, submitted by the Department of Parks & Recreation, represented by exhibits 6174-Q, R & T of record in this matter, hereby gives to the same unanimous preliminary approval.

Preliminary approval is conditioned upon submission of this project for final review and approval before October 26, 2011.

A true copy of resolution adopted by the Design Commission at its meeting on October 26, 2009.

Jackie Snyder
Executive Director

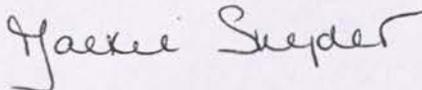

October 26, 2009

CERTIFICATE 23714

RESOLVED That the Design Commission, having considered designs for the reconstruction of J.J. Byrne Playground, Washington Park, Fifth Avenue, Third Street, Fourth Avenue and Fourth Street, Brooklyn, submitted by the Department of Parks & Recreation, represented by exhibits 4213-K, L, M & N of record in this matter, hereby gives to the same unanimous preliminary approval with the understanding that (1) the existing signage, which is not successfully integrated with the site, will be addressed as a part of this project; and (2) the site furniture palette will be restudied.

Preliminary approval is conditioned upon submission of this project for final review and approval before October 26, 2011.

A true copy of resolution adopted by
the Design Commission at its meeting
on October 26, 2009.

Jackie Snyder
Executive Director

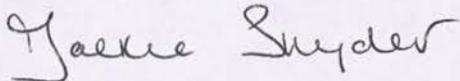

October 26, 2009

CERTIFICATE 23715

RESOLVED That the Design Commission, having considered designs for the construction of three fish passages, Phase I, 182nd Street Dam, Bolton Dam and Snuff Mill Dam, Bronx River, Bronx, submitted by the Department of Parks & Recreation, represented by exhibits 2419-DJ, DK & DO of record in this matter, hereby gives to the same unanimous preliminary approval with the understanding that the fencing and retaining wall proposals will be submitted as soon as they are developed by the Parks Department.

Preliminary approval is conditioned upon submission of this project for final review and approval before October 26, 2011.

A true copy of resolution adopted by the Design Commission at its meeting on October 26, 2009.

Jackie Snyder
Executive Director

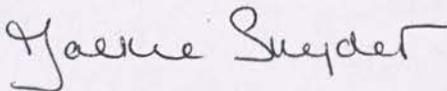

October 26, 2009

CERTIFICATE 23716

RESOLVED That the Design Commission, having considered designs for the restoration of landscaping, Stone Mill (formerly Snuff Mill), New York Botanical Garden, Bronx, submitted by the Department of Cultural Affairs and the Department of Parks & Recreation, represented by exhibits 1950-JY, JZ & KA of record in this matter, hereby gives to the same unanimous preliminary approval.

Preliminary approval is conditioned upon submission of this project for final review and approval before October 26, 2011.

A true copy of resolution adopted by
the Design Commission at its meeting
on October 26, 2009.

Jackie Snyder
Executive Director

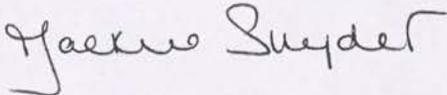

October 26, 2009

CERTIFICATE 23717

RESOLVED That the Design Commission, having considered designs for the construction of North Shore esplanade and bikeway, including the reconstruction of Pier 5A, Murray Hulbert Avenue between Hannah Street and Victory Boulevard, Staten Island, submitted by the Economic Development Corporation, the Department of Parks & Recreation and the Department of Transportation, represented by exhibits 6835-Y, Z, AA, AB & AC of record in this matter, hereby gives to the same unanimous final approval.

Final approval is conditioned upon commencement of work before October 26, 2011 and submission of a minimum of three (3) 8" x 10" color archival-quality photographs of the completed project.

A true copy of resolution adopted by
the Design Commission at its meeting
on October 26, 2009.

Jackie Snyder
Executive Director

October 26, 2009

CERTIFICATE 23718

RESOLVED That the Design Commission, having considered designs for the installation of a prototypical newsstand, 128 University Place (8 Union Square South), southwest corner of University Place and East 14th Street, Manhattan, submitted by the Department of Consumer Affairs and the Department of Transportation, represented by exhibits 4490-G, H & I of record in this matter, hereby rejects the same, noting that the newsstand would preclude the continuation of the allee of trees connecting Washington Square Park to Union Square Park and add yet another visual impediment to the already cluttered streetscape, which includes an existing newsstand directly across 14th Street and a bus shelter across University Place.

A true copy of resolution adopted by
the Design Commission at its meeting
on October 26, 2009.

Jackie Snyder
Executive Director

October 26, 2009

CERTIFICATE 23719

RESOLVED That the Design Commission, having considered designs for the installation of a prototypical newsstand, 231 Grand Street, southwest corner of Grand Street and Bowery, Manhattan, submitted by the Department of Consumer Affairs and the Department of Transportation, represented by exhibits 4689-F, G & H of record in this matter, hereby rejects the same, noting that it would add yet another visual impediment to the already cluttered streetscape, which includes three existing newsstands within a one-block radius.

A true copy of resolution adopted by
the Design Commission at its meeting
on October 26, 2009.

Jackie Snyder
Executive Director

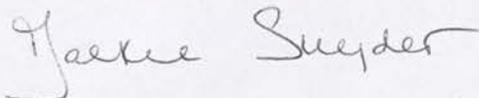

October 26, 2009

CERTIFICATE 23720

RESOLVED That the Design Commission, having considered designs for the reconstruction of a pedestrian bridge over the Harlem River, including the installation of fencing and lighting, from East 103rd Street and the FDR Drive to Wards Island, Manhattan, submitted by the Department of Transportation and the Department of Parks & Recreation, represented by exhibits 1599-IK, IL, IM & IN of record in this matter, hereby gives to the same unanimous final approval with the understanding that (1) the horizontal return on the pedestrian bridge fencing will be eliminated; (2) the bar at the top of the fence will also be eliminated; (3) the 1" x 3" welded wire mesh shown at the task force meetings will be used instead of the proposed 1" x 1" woven mesh intercrimp; (4) all other details will be consistent with Ted Zoli's recommendations; and (5) revised drawings reflecting these changes will be submitted for committee review.

Final approval is conditioned upon commencement of work before October 26, 2011 and submission of a minimum of three (3) 8" x 10" color archival-quality photographs of the completed project.

A true copy of resolution adopted by
the Design Commission at its meeting
on October 26, 2009.
