

December 14, 2009

CERTIFICATE 23596

RESOLVED That the Design Commission, having considered designs for the installation of a carousel and construction of an enclosure as part of Phase IIA of the master plan, Staten Island Zoo, Clarence T. Barrett Park, 614 Broadway, Staten Island, submitted by the Department of Design and Construction, the Department of Cultural Affairs and the Department of Parks & Recreation, represented by exhibits 4196-CD, CE, CF, CG & CH of record in this matter, hereby gives to the same unanimous preliminary approval with the understanding that (1) the zoo will provide confirmation that the music from the carousel will not affect the animals, and (2) benches will be added within view of the carousel riders. Approval is also given with the understanding that future consideration of the design of the individual phases is contingent upon the agencies working with the zoo's staff to incorporate the other needs identified in the Animal Collections Plan, including the vertical transfer of animals other than the leopards and the aging aquariums, into the master plan. Commissioner Nielsen recused herself.

Preliminary approval is conditioned upon submission of this project for final review and approval before December 14, 2011.

the Design Commission at its meeting
on December 14, 2009.

Jackie Snyder
Executive Director

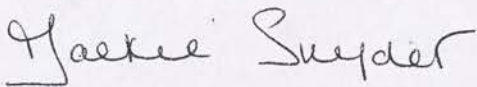

December 14, 2009

CERTIFICATE 23762

RESOLVED That the Design Commission, having considered designs for the construction of a waterfront park and streetscape, Hunter's Point South, Phase I and II, 50th Avenue, Second Street, Newtown Creek and the East River, Queens, submitted by the Economic Development Corporation, the Department of Parks & Recreation and the Department of Transportation, represented by exhibits 6544-X, Y, Z, AA & AB of record in this matter, hereby gives to the same unanimous preliminary approval with the understanding that (1) views of the proposed design from the east looking west will be submitted; (2) the color of the structures, particularly the Overlook, which appears white, will be carefully studied and the nautical theme maintained; (3) the rich history of the site and Newtown Creek will be conveyed to the public on site, possibly at the Promontory; (4) a path will be added between the lawn bowl and the tree grove on the Peninsula; (5) the double layer of fencing (as indicated on slide 11) will be eliminated; (6) the 5" x 8" tree pits will be replaced with continuous trenches with structural soil; (7) the tree pit detail at Edge of the Green will be revised, so the paver is not over the root ball; (8) the Percent for Art component will be submitted for review before Phase I is submitted for final; and (9) subsequent to receiving final approval, the agencies will return to the Design Commission once the bids have been received to confirm how much of Phase I will be constructed.

Preliminary approval is conditioned upon submission of Phase I for final review and approval before December 14, 2011 and Phase II for final review and approval before December 14, 2012.

A true copy of resolution adopted by
the Design Commission at its meeting
on December 14, 2009.

Jackie Snyder
Executive Director

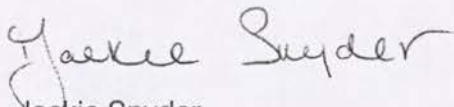

December 14, 2009

CERTIFICATE 23763

RESOLVED That the Design Commission, having considered designs for the reconstruction of Steeplechase Plaza, including the construction of a pavilion to house the B&B Carousell (1919), Riegelmann (Coney Island) Boardwalk, West 16th Street to West 19th Street, Brooklyn, submitted by the Economic Development Corporation and the Department of Parks & Recreation, represented by exhibits 1170-FA, FB, FC, FD & FE of record in this matter, hereby gives to the same unanimous preliminary approval with the understanding that the design team will (1) study extending the roof of the café further out over the water feature with the Coney Island sign in a straight line above; (2) restudy the lettering of the Coney Island sign, making the letters longer and thinner to differentiate them from the carousel sign; (3) clarify how the historic spelling of Carousell will be explained in the exhibition, particularly since B&B is not included on the façade signage and the historic typeface is no longer being replicated; (4) restudy the fencing around Luna Park, so access is more generous; (5) submit a rendering of the carousel pavilion that includes the lighting proposal for the Parachute Jump; and (6) confirm within one month when a proposal for the conservation, relocation and reinstallation of the artifacts by the appropriate professionals, including a conservator, fine arts transporter and curator, will be submitted for review.

Preliminary approval is conditioned upon submission of this project for final review and approval before December 14, 2011.

A true copy of resolution adopted by
the Design Commission at its meeting
