RESOLVED That the Design Commission, having considered designs for the construction of the NYPD training facility, Phase I, College Point Boulevard, 28<sup>th</sup> Avenue, Ulmer Street, Queens, submitted by the Department of Design and Construction, represented by exhibits 5152-AJ, AK, AL & AM of record in this matter, hereby gives to the same unanimous final approval subject to the submission of a plan to avoid killing the 109 trees planted in the temporary parking lot as part of Phase I when Phase II is constructed on the parking lot site in approximately seven years. The written proposal should, as discussed, either commit to (1) using the temporary parking lot as a nursery, transplanting trees for use in City projects and then replanting them on site; or (2) given the unique circumstance, pursuing a Mayoral override of the Zoning Resolution of the City of New York to plant fast-growing Black Locusts that can then be harvested and used in City projects, such as the Squibb Park bridge, which is primarily made of Black Locust. Commissioner Nordenson recused himself.

Final approval is conditioned upon commencement of work before April 4, 2013 and submission of a minimum of three (3) 8" x 10" color archival-quality photographs of the completed project.
