Job Description:

The Bureau of Financial Services is responsible for administering the agency's operating and capital budget. The bureau ensures that funds are available for the procurement of goods and services, invoices are paid in a timely manner, and that all funds are spent on allowable services, with reasonable and auditable costs that reflect the agency's mission. The bureau reviews audited financial statements from providers and investigates areas of concern. The bureau oversees the Budget, Payment Services, Claiming and Revenue Accounting, and Audit Departments.

The ideal candidate for this position is a problem-solver who is dedicated to providing excellent customer service to a range of community-based discretionary service providers. The Vendor Payment Unit processes payments in the amount of \$480m baseline and over \$39 million in discretionary contracts annually.

The Bureau of Financial Services seeks a dynamic, motivated and detail-oriented individual to serve as an Analyst in the Vendor Payment Unit. The Analyst will perform desk audits, provide fiscal technical assistance and conduct complex financial and analytical tasks for the Bureau of Financial Services. - Conduct desk audits on invoices, review and process payments, and advances.
