Hello,

My feelings are down when I think about my lifelong home in the Bronx. With COVID and BLM, I feel we lost a lot of young voters. I don't know all the effects of redistricting when the Bronx sits at the bottom but what I hope is that your thoughts go for whatever works best for us up here.

I know that a strong Bronx, the birthplace of Hip Hop means progress for all struggling across the city.

So does that mean districting our poor areas with as many of their own districts as possible?

God bless you and thank you for your work. I'm 35, born and still in Sedgwick Houses in Morris Heights, Bronx.

Sincerely,

Michael Garcia
