## Esteemed members of the commission,

Please create a new council district for South Asians in Jackson Heights/Woodside area. The area has a large South Asian/Muslim population composed of India, Bangladesh, Pakistan, Nepal etc. In addition, the area has 10 Mosjids where a lot of Muslims pray.

Over the years, South Asian population has been divided between Council District 25 and 26th. Therefore, our voice is not being represented. Please rectify this issue once for all and create the new district for South Asian/Muslims.

Warm regards
