To Whom It May Concern:

Enclosed please find the Center for Law and Social Justice at Medgar Evers College Communities of Interest (COI) submission for the 2022 NYC Redistricting Cycle.

These map files and images demonstrate New York City Council Districts and neighborhoods with high concentrations of New Yorkers from diverse communities of African descent. These are New Yorkers who share commonalities and community needs that are so fundamental that they transcend racial, ethnic and cultural lines. CLSJ relied on census data in order to demonstrate the geographic imprint of these historic and emerging communities of interest.

Please do not hesitate to contact us should you have any questions or need any additional information.

Sincerely,

Best regards,

Lurie Daniel Favors, Esq., Executive Director
