Hello,

I would like the boundary between City Council Districts 8 and 9 to be along Park Avenue. Our block association - the Harlem Neighborhood Block Association is mostly comprised of middle-class, Black renters and home owners. We are centered at Madison and 126th Street. As the census showed, and as we've known for years, Park Avenue is a much better line between these two council districts as it reflects the affinity that our community feels with Central Harlem (9) on a cultural basis.

Please make Park Avenue the dividing line.

Thank you

Shawn Hill
