

Hell's Kitchen

Kips Bay neighborhood (E. 34 to E. 23rd between 1st and 3rd Avenues) is heavily and negatively affected by NYU and hospital row. Residents need a voice; therefore Kips Bay needs to be in the same district as hospital row.

Kips Bay and Murray Hill have similar demographics, interests and concerns. Kips Bay and the District 2 LES have very different issues.

See email explanation from Kips Bay Neighborhood Association.org
