Good afternoon

Hope all is well. In regards to redistricting. Staten Island it's own entity and should be separate like the other 4 Boros have. There are more residents moving and residing in the island then in the past.

I also want to make a comment I reside in zip code 10305 near Clove road and Hylan Blvd in staten island. Why is that considered the south shore when zip code is close to the Verrazano bridge and is part of north shore.

Whoever is doing the redistricting and rezoning is definitely not familiar with Staten Island. I hope when this is done it's with an experienced and knowledgeable person who knows Staten Island well putting all politics aside

Thank you so much any questions please feel free to contact me.

Sincerely jill pincus
Long time Staten Island resident
