³ Education level is self-reported during intake and individuals are not required to report this information at intake or any other time while in custody. Therefore, this data cannot be reported as an ADP and may not accurately or completely represent the educational background of people in custody during the reporting period. Council may seek further information regarding the educational background of people in custody aged 18-21 from the Department of Education.

⁴ Security Risk Group members, as defined by the Department, are not identified during intake. An investigation, which cannot be completed during intake, is required to identify a member of a Security Risk Group, even if an individual has been identified during a previous incarceration.
