

New York City Department of Correction
Quarterly Emergency Lock-In Report
FY25 Q2

This report provides information regarding the rate of emergency lock-ins that the New York City Department of Correction (DOC or “Department”) is required to report pursuant to New York City Administrative Code §9-155. This reporting time frame is from October 1 to December 31, 2024.

1. The number of department-wide emergency lock-ins, in total and disaggregated by the reason for such emergency lock-in, as determined by the department.

During this timeframe, the Department did not have a department-wide emergency lock-in.

2. The number of facility emergency lock-ins disaggregated by facility, in total and disaggregated by the reason for such emergency lock-in, as determined by the department.

Facility	Lock-In Reason ¹	# Lock-Ins
EMTC	TSO ²	2
RESH	TSO	2
RNDC	TSO	3
WF	Slashing/Stabbing	1

3. The number of lock-in extensions disaggregated by facility and housing area, in total and disaggregated by housing area type and reason for lock-in extension.

During this timeframe, the Department did not have any lock-in extensions.

4. The number of partial facility emergency lock-ins disaggregated by facility, in total and disaggregated by the reason for such emergency lock-in, as determined by the department.

Facility	Lock-In Reason	# Lock-Ins

New York City Department of Correction
Quarterly Emergency Lock-In Report
FY25 Q2

In comparison to the previous reporting period, the number of department-wide lockdowns and extension lock-ins remained the same. The number of facility lock-in, partial facility lock-in, housing area lock-in, and continuous lock-ins exceeding 24 hours increased. The number of mandated services interrupted decreased.

To review prior Emergency Lock-In Reports please visit the [Department's website](#).
