SPECIAL SEPTEMBER 11 EDITION

**THANK YOU**  
**FOR YOUR SERVICE**

Each year on 9-11 at DOC we join America in paying tribute to those who lost their lives and honor those who were instrumental in the rescue and recovery effort. This was a terrible and painful day but it was also a day that brought America together in a way that we had never experienced.

I was not working for DOC at that time but I know the story of what members of the Department did on that day and the days that followed. Moments after the Towers fell, DOC mobilized an emergency response plan, rallying hundreds of uniformed and non-uniformed employees to help in the City's rescue effort at Ground Zero. And what an effort it was. I am so proud of all that you did. You worked hand-in-hand with the courageous members of the NYPD and the Firefighters. Everyone at DOC wanted to help. Your actions would serve as a powerful link, tying us to our fellow first responders and cementing your legacy as heroes. A lot of heroes were born on 9-11. We are beholden to them. They showed what toughness and courage are all about in the darkest hour.

In this special edition of Bold Print, let us remember those we've lost and recognize those who stepped up and responded to the call to assist. Sixteen years later, we have not forgotten. We never will. Thank you for your service.
