General Bid Submission Information:

- Bids may be submitted electronically via email at Bids@health.nyc.gov .
- Bids may also be hand-delivered to the mailing address above. Due to the COVID-19 Outbreak and social/physical distancing recommendations, DOHMH is operating with a limited amount of onsite staff. Therefore, electronic bid submission is preferable. Bidders for whom hand-delivery is the only option must advise the Authorized Agency Contact by July 20, 2020

of their intention to do so as the Agency will need to ensure that hand delivered bids are properly received and recorded.

- **Every visitor is required to complete a COVID-19 health screening assessment (HSA) each day before entering a DOHMH facility. This is part of the City's effort to safeguard the health and safety of everyone in the facility. The HSA is available electronically via smartphone devices or URL on website at the following link:**

- An Addendum will be released at a later date to provide the date(s) and time(s) at which bids may be hand-delivered, prior to the due date, to authorized DOHMH staff.
- DOHMH will not be responsible for bids hand-delivered at date(s) and time(s) other than those specified in the referenced addendum and/or that are deposited with anyone other than the Authorized Agency Contact and/or authorized DOHMH staff indicated in the referenced addendum.
- DOHMH will not be responsible for electronic bids that are delivered to an email address other than the designated email address above.
- Any bids, electronic or hand-delivered, received by DOHMH after 3:00 PM on the Bid Due Date will be considered late and will not be accepted.
- The bid opening will only be accessible via video conference. Bidders will be provided a link to access the live video opening. This information will be provided at least one day prior to the bid opening in an email distributed from the DOHMH to all vendors on the Bidders List and who have downloaded a copy of the solicitation from the DOHMH website.
